2020-21 Annual Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (o) (1), the City of Lake Elsinore Successor Agency (Agency) submitted an annual Recognized Obligation Payment Schedule for the period of July 1, 2020 through June 30, 2021 (ROPS 20-21) to the California Department of Finance (Finance) on January 31, 2020. Finance has completed its review of the ROPS 20-21.

Based on a sample of line items reviewed and application of the law, Finance made the following determinations:

- Item No. 3 – Tax Allocation Revenue Bonds, 2010 Series C debt service. The Agency requested \$2,220,611 from Redevelopment Property Tax Trust Fund (RPTTF) and \$697,500 from Reserve Balances in error. According to the debt service schedule provided by the Agency, the amount requested for the July 1, 2020 through December 31, 2020 period (ROPS 20-21A period) should be \$2,220,326 in RPTTF and that an increase of \$1,110,448 in bond reserves was necessary. Therefore, to accurately reflect the correct debt service payment, Finance made an adjustment in the amount of \$285 to decrease the requested RPTTF amount of \$2,220,611 to \$2,220,326 and an increase of \$1,110,448 in Reserve Balances for the ROPS 20-21A period.
- Item No. 12 – Summerly Disposition and Development Agreement. The Agency requested \$1,276,507 from RPTTF in error. According to documentation provided by the Agency, the amount requested of \$386,905 for ROPS 20-21A period should be \$286,905. Therefore, with the Agency's concurrence, Finance made an adjustment in the amount of \$100,000 to decrease the total requested amount of \$1,276,507 to \$1,176,507 in RPTTF funding.
- Item No. 20 – Housing Fund Loan in the amount of \$6,324,317 is partially allowed. The Agency has determined that the amount of RPTTF requested in the January 1, 2021 through June 30, 2021 period (ROPS 20-21B period) should be reduced by \$2,558,553. Therefore, Finance has adjusted the total requested amount of \$6,324,317 to \$3,765,764.

- Item No. 33 – Interim Stadium Management Agreement in the amount of \$3,508,137 is partially allowed. The Agency included \$1,703,276 of RPTTF which was previously approved and distributed in ROPS 18-19, and expended during the ROPS 19-20 period for capital repairs. The amount expended should be reflected in reporting the ROPS 18-19 prior period adjustment. Therefore, Finance made an adjustment of \$1,703,276 to decrease the requested amount of \$3,508,137 to \$1,804,861 in RPTTF funding.
- Item No. 46 – Third Lien Tax Allocation Bonds, Series 2018B debt service. The Agency requested a total of \$157,675 from RPTTF in error. According to the debt service schedule, the amount requested for the ROPS 20-21A period should be \$77,913, not \$79,763. Therefore, to accurately reflect the correct debt service payment, Finance made an adjustment of \$1,850 (\$79,763 - \$77,913) to decrease the total requested amount of \$157,675 to \$155,825 in RPTTF funding.
- Item No. 48 – Subordinated Tax Allocation Refunding Bonds, Series 2019A debt service. The Agency requested RPTTF funding for debt service payments due for the 12-month period. Based upon our review, the bond indenture requires all tax revenues to be deposited until the full year's bond debt service is covered. Therefore, debt service payments requested in the amount of \$678,750 in RPTTF funding is approved.

The Agency requested the amount of bond reserves for the ROPS 20-21A period be increased by \$85,000 to properly reflect payments reserved from the ROPS 19-20. Therefore, with the Agency's concurrence, Finance made an adjustment of \$85,000 to increase the requested amount of Reserve Balances to accurately reflect the required debt service payment amount.

Pursuant to HSC section 34186, successor agencies are required to report differences between actual payments and past estimated obligations (prior period adjustments) for the July 1, 2017 through June 30, 2018 (ROPS 17-18) period. Reported differences in RPTTF are used to offset current RPTTF distributions. The amount of RPTTF authorized includes the PPA resulting from the County Auditor-Controller's review of the PPA form submitted by the Agency.

The Agency's maximum approved RPTTF distribution for the reporting period is \$14,104,116, as summarized in the Approved RPTTF Distribution table (see Attachment).

RPTTF distributions occur biannually, one distribution for the ROPS 20-21A period, and one distribution for the ROPS 20-21B period, based on Finance's approved amounts. Since this determination is for the entire ROPS 20-21 period, the Agency is authorized to receive up to the maximum approved RPTTF through the combined ROPS A and B period distributions.

Except for the items adjusted, Finance is not objecting to the remaining items listed on the ROPS 20-21. If the Agency disagrees with our determination with respect to any items on the ROPS 20-21, except items which are the subject of litigation disputing our previous or related determinations, the Agency may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available on our website:

http://dof.ca.gov/Programs/Redevelopment/Meet_And_Confer/

The Agency must use the RAD App to complete and submit its Meet and Confer request form.

Absent a Meet and Confer, this is our final determination regarding the obligations listed on the ROPS 20-21. This determination only applies to items when funding was requested for the 12-month period. If a denial by Finance in a previous ROPS is currently the subject of litigation, the item will continue to be deemed denied until the matter is resolved.

The ROPS 20-21 form submitted by the Agency and this determination letter will be posted on our website:

<http://dof.ca.gov/Programs/Redevelopment/ROPS/>

This determination is effective for the ROPS 20-21 period only and should not be conclusively relied upon for future ROPS periods. All items listed on a future ROPS are subject to review and may be denied even if not denied on this ROPS or a preceding ROPS. The only exception is for items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of Final and Conclusive items is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment available prior to the enactment of the redevelopment dissolution law. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax increment is limited to the amount of funding available to the Agency in the RPTTF.

Sincerely,
