122	122 - On August 13, 2020, the California EPA, Department of Toxic Substances Control (DTSC), issued an Imminent and/or Substantial Endangerment Order and Remedial Action Order ("Order") to the Successor Agency to remediate hazardous substances contamination at 5679 Horton Street, Emeryville ("Corporation Yard Site"). The Order is an enforceable obligation pursuant to Health and Safety Code 34171(d)(1)(C).
123	123 - In order to respond to the DTSC Order per Item 122 at the earliest possible time, as opposed to waiting to July 1, 2021, the SA authorized a professional services agreement with EKI (Item 123) on December 15, 2020 in the amount of \$39,000. The SA intends on paying for EKI's services with a loan from the City of Emeryville, which the City will provide to the SA if the loan agreement is approved by the OS Board and DOF, and the loan agreement is approved on ROPS 21-22. If the OS Board and DOF approve the loan agreement and ROPS that includes the loan agreement, then the City will make loan proceeds available to the SA approx. April 15, 2021. Thereafter, the SA would authorize EKI to start their services, allowing the SA to commence its response to DTSC's Order approximately 2 1/2 months earlier. The funds extended by the City pursuant to the loan, approximating \$39,000, would then be repaid by the Successor Agency to the City of Emeryville in full during ROPS 21-22 with interest.
