INTRODUCTION

The Department of Finance (Finance) developed the Redevelopment Agency Dissolution Application (RAD App) to enable successor agencies to access, complete, and submit the following documents:

- Annual Recognized Obligation Schedule (ROPS)
- Annual ROPS Meet and Confer Request
- Amended Annual ROPS
- Last and Final ROPS
- Prior Period Adjustment (PPA)

An accompanying oversight board (OB) resolution approving the ROPS is required to be submitted with the Annual, Amended, and Last and Final ROPS. **Finance will not accept any OB actions submitted through the RAD App that are not related to the approval of the ROPS and will consider such actions invalid and ineffective.** Agencies should continue to submit OB actions related to other matters to the Redevelopment Administration e-mail address at RedevelopmentAdministration@dof.ca.gov.

Beginning with the Amended ROPS 19-20B and the Annual ROPS 20-21, agencies **must use the RAD App** to access, complete, and submit their ROPS. Each ROPS period, Finance will release a new ROPS template that is prepopulated with prior ROPS obligations for the agency to complete. Upon completion, the agency will submit the final OB approved ROPS and a copy of the signed OB resolution. No other means of submission to Finance will be accepted.

The RAD App is located at [SA RAD App](#)

*The RAD App is designed to run on **Chrome, Firefox, and Microsoft Edge.**
The RAD App no longer functions using Internet Explorer.*

In accordance with HSC section 34177 (l) (2) (C), the agency should separately e-mail a copy of the report for the Annual ROPS, Last and Final ROPS, and OB resolution to their County Auditor-Controller and the State Controller's Office at RDA-SDSupport@sco.ca.gov. A copy of the final Annual ROPS and Last and Final ROPS should also be posted on the agency's website.

Submission Reminders

- RAD App acceptance of the final ROPS only represents **acceptance by the RAD App**.
- Concurrently, RAD App will send notification of the ROPS submittal to Finance's Redevelopment Administration e-mail.
- If rejected, Finance will send an e-mail specifying the reason(s) for denial. The agency must resubmit the ROPS package through the RAD App. Depending on the reason for denial, **the OB may be required to re-approve a revised ROPS**.
- When submitting the ROPS, please verify the contact information for the Agency is updated and correct. The RAD App will display a reminder screen during the submission process

Submission Denial Reasons

Common reasons for ROPS denial by Finance include, but are not limited to the following items:

- ROPS and OB Resolution approving ROPS submitted through the RDA Inbox instead of RAD App.
