**Amendment to and Addition of Various Budget Bill Items, Support and Local Assistance,
State Department of Education**

Federal Funds Adjustments

**Items 6110-001-0001 and 6110-001-0890, Support, State Department of Education
(Issues 080, 278, 683, 721, 722, and 801)**

Reappropriate Carryover of Federal Funds for the California Modified Assessment Alignment Study (Issue 080)—It is requested that Item 6110-001-0890 be increased by \$600,000 (\$200,000 federal Title I carryover funds and \$400,000 federal Title VI carryover funds), and that Item 6110-001-0001 be amended to support an alignment study of the California Modified Assessment (CMA) by an independent contractor. As a result of a 2010 peer review, and to approve the CMA as meeting the requirements of the No Child Left Behind Act of 2001, the United States Department of Education requires an alignment study of the CMA to ensure validity, technical quality, inclusivity, and alignment to the state's content standards. The 2010 Budget Act provided these funds for this purpose, however, the Department of Education (SDE) reports they will be unable to complete the request for proposal process and encumber the funds in the current year, and therefore, the SDE requests to carryover the funds into fiscal year 2011-12.

It is further requested that provisional language be added to Item 6110-001-0890 as follows to conform to this action:

X. Of the funds appropriated in this item, \$200,000 federal Title I and \$400,000 federal Title VI funds are available on a one-time basis to conduct a validation study of the California Modified Assessment.

Add One-Time Carryover Authority for Document Translation Workload (Issue 278)—It is requested that Item 6110-001-0890 be increased by \$250,000 Federal Trust Fund and that Item 6110-001-0001 be amended to reflect the availability of one-time carryover funds. These funds will support the continued translation of parental notification and information forms in multiple languages to assist school districts in complying with the requirements of current law. The carryover is a result of delays in securing contracts with vendors to translate parental notification documents.

The Governor's Budget eliminated \$250,000 in one-time carryover funding available in 2010-11; however, the provisional language was not removed. Therefore, no change to provisional language is necessary to conform to this action.

AB 3632 Mental Health Services Dispute Resolution Costs (Issue 683)—It is requested that Item 6110-001-0890 be increased by \$3.1 million in one-time federal special education carryover funds and that Item 6110-001-0001 be amended to support increased workload at the Office of Administrative Hearings (OAH). The SDE has indicated that the suspension of the Chapter 1747, Statutes of 1984 (AB 3632) mandate in 2010-11 has caused an increase in the number of mental health services disputes filed with the OAH. However, because the extent of the caseload is unknown, it is requested that the SDE submit documentation justifying the increased caseload as a condition of spending these funds.

It is further requested that provisional language be added to Item 6110-001-0890 as follows to conform to this action:

X. Of the funds appropriated in this item, up to \$3,100,000 in federal special education carryover funds shall be made available on a one-time basis for mental health service dispute resolution services provided by the Office of Administrative Hearings. The Department of Education shall submit documentation to the Department of Finance justifying the increased mental health services caseload and obtain written approval prior to spending these funds. The Department of Finance shall act within 30 days of receiving a request from the Department of Education justifying the increased costs.

Administration of Commodity Supplemental Food Program (Issue 721)—It is requested that Item 6110-001-0890 be increased by \$33,000 Federal Trust Fund and that Item 6110-001-0001 be amended to provide up to \$108,000 in administrative funds for the Commodity Supplemental Food Program, which supplements the diets of low-income mothers and children with nutritious commodity foods from the United States Department of Agriculture. This funding will support one analyst position, temporary help, and other costs associated with administering the program.

We note that Provision 26 of Item 6110-001-0890 currently states that \$45,000 is available for the administration of the program. However, \$75,000 is the actual amount of authority currently available.

It is further requested that provisional language be amended in Item 6110-001-0890 to clarify and update the total amount of authority available for this program as follows to conform to this action:

"26. Of the funds appropriated in this item, ~~\$45,000~~ up to \$108,000 is for the administration of the Commodity Supplemental Food Program, contingent on approval from the United States Department of Agriculture."

Support for Child Nutrition Reauthorization Workload (Issue 722)—It is requested that Item 6110-001-0890 be increased by \$200,000 Federal Trust Fund and that Item 6110-001-0001 be amended to support 2.0 existing positions on a limited-term basis through June 30, 2013, and associated travel and technical assistance costs for the purpose of assisting School Food Authorities with implementation of new requirements contained in the federal Healthy, Hunger-Free Kids Act of 2010.

It is further requested that provisional language be added to Item 6110-001-0890 as follows to conform to this action:

X. Of the funds appropriated in this item, \$200,000 is available to fund 2.0 existing positions on a limited-term basis through June 30, 2013, and other costs to support increased technical assistance activities associated with new federal child nutrition requirements under the Healthy, Hunger-Free Kids Act of 2010.

Public Charter Schools Grant Program (Issue 801)—It is requested that Item 6110-001-0890 be increased by \$1,225,000 Federal Trust Fund and that Item 6110-001-0001 be amended to reflect an increase in the federal grant award. The Public Charter Schools Grant Program (PCSGP) provides planning and implementation grants to new charter schools. Up to 15 percent of PCSGP funds may be used for state-level activities including contracting for an independent evaluation of the program, providing technical assistance to sub-grantees, and awarding best practices dissemination sub-grants.

Item 6110-102-0890, Local Assistance, Learn and Serve America Program (Issue 480)—It is requested that this item be increased by \$138,000 Federal Trust Fund to reflect the availability of \$200,000 in one-time carryover funds and a \$62,000 reduction to the federal grant for the Learn and Serve America Program, which provides opportunities for students to engage in academic-based, service-learning projects.

It is further requested that provisional language be added as follows to conform to this action:

Item 6110-119-0890, Local Assistance, Neglected and Delinquent Children Program (Issue 301)—It is requested that this item be decreased by \$692,000 federal Title I Neglected and Delinquent Children funds to reflect the anticipated federal grant award for 2011-12. Local Education Agencies (LEAs) will use these funds for services to educate neglected and delinquent or incarcerated youth.

Item 6110-125-0890, Local Assistance, Migrant Education Program and English Language Acquisition Program (Issues 291, 292, 297, and 298)—It is requested that Schedule (1) of this item be increased by \$333,000 federal Title I funds. This adjustment includes a decrease of \$1,367,000 to align the Migrant Education Program with the anticipated federal grant award and an increase of \$1.7 million to reflect the availability of one-time federal carryover funds. The LEAs will use these funds for educational and support services to meet the needs of highly-mobile children.

Addition of Budget Bill Items 6610-301-6028 and 6610-495, Capital Outlay, California State University

Los Angeles Campus, Corporation Yard and Public Safety—Equipment (Issue 001). It is requested that Item 6610-301-6028 be added in the amount of \$648,000 to fund the balance of the equipment phase for the Los Angeles Campus, Corporation Yard and Public Safety Project (Project). Total Project funding is \$18.2 million from General Obligation Bonds.

The 2009 Budget Act appropriated \$765,000 from the 1998 Higher Education Capital Outlay Bond Fund (Fund 0574) for the equipment phase. However, since the initial request for these funds, a review of the cumulative project appropriations and administrative costs charged to Fund 0574 show it to be exhausted. The California State University was able to utilize a portion of the Fund 0574 appropriation to purchase equipment for the public safety part of the facility (e.g., police dispatch area workstations, audiovisual equipment, etc.) before exhausting the Fund 0574, but an alternate funding source is needed to purchase the remaining equipment and furniture for the corporation yard and various trade shops. Therefore, it is requested that Item 6610-495 be added to revert the remaining expenditure authority from Item 6610-301-0574, and that Item 6610-301-6028 be added for \$648,000 to purchase the remaining equipment.

The effect of my requested action is reflected on the attachment.

If you have any questions or need additional information regarding this matter, please call Theresa Gunn, Principal Program Budget Analyst, at (916) 445-9694.
