~~88540. This part shall become inoperative on July 1, 2016, and, as of January 1, 2017, is repealed, unless a later enacted statute that becomes operative on or before January 1, 2017, deletes or extends the dates on which it becomes inoperative and is repealed.~~

LEGISLATIVE COUNSEL'S DIGEST

Bill No.

as introduced, _____.

General Subject: Postsecondary education: Career Technical Education Pathways Program.

Existing law establishes the Career Technical Education Pathways Program, which requires the Chancellor of the California Community Colleges and the Superintendent of Public Instruction to assist economic and workforce regional development centers and consortia, community colleges, middle schools, high schools, and regional occupational centers and programs to improve linkages and career technical education pathways between high schools and community colleges, as specified.

Existing law provides that the program becomes inoperative on July 1, 2016, and as of January 1, 2017, is repealed, unless a later enacted statute that becomes operative on or before January 1, 2017, deletes or extends the dates on which the program becomes inoperative and is repealed.

This bill would delete the provision that renders the program inoperative and repeals it on the dates mentioned above. This bill would therefore extend the operation of the program indefinitely.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
