(b) Unless the context clearly requires otherwise, any reference to the Division of Juvenile Facilities, Division of Juvenile Justice, or Youth Authority in any statute, regulation, or contract, or in any other code, with respect to any of the functions transferred to the department pursuant to this section, is a reference to the Department of Youth and Community Restoration.

The assumption by the department does not in any way affect the rights of the parties to the contract, lease, license, state or federal grant, memorandum of understanding, or agreement.

The personnel records of all transferred employees shall be transferred to the department.

12829. The establishment of the Department of Youth and Community Restoration within the California Health and Human Services Agency does not diminish, abrogate, or adversely affect the availability of rehabilitative services, employment, or workforce development opportunities for individuals subject to the jurisdiction of

Pursuant to Section 12825, rehabilitative programs and services in existence on June 30, 2019, that are provided by the Prison Industry Authority to the predecessor entity are expressly continued with the department. An agreement to which the predecessor entity and the Prison Industry Authority are a party is not void or voidable by reason of the act that added this section, but is continued in full force and effect, with the department assuming all of the rights, obligations, and duties of the predecessor entity. This assumption by the department does not affect the rights of the parties to the contract, lease, license, or agreement.

This assumption by the department does not affect the rights of the parties to the contract, lease, license, or agreement.

12832. (a) The Department of Youth and Community Restoration may adopt regulations as necessary or appropriate to carry out the purposes of this article.

The written statement shall include a description of the underlying facts and an explanation of the operational need to use the emergency rulemaking procedure. This paragraph provides an alternative to filing a statement of emergency pursuant to subdivision (b) of Section 11346.1. It does not preclude filing a statement of emergency. This paragraph only applies to the initial adoption and one readoption of an emergency regulation.

(3) Notwithstanding subdivision (b) of Section 11349.6, the adoption, amendment, or repeal of a regulation pursuant to paragraph (2) shall be reviewed by the Office of Administrative Law within 20 calendar days after its submission. In conducting its review, the Office of Administrative Law shall accept and consider public comments for the first 10 calendar days of the review period. Copies of any comments received by the Office of Administrative Law shall be provided to the department.

(4) Regulations adopted pursuant to paragraph (2) are not subject to the requirements of paragraph (2) of subdivision (a) of Section 11346.1.

(e) It is the intent of the Legislature, in authorizing the deviations in this section from the requirements and procedures of Chapter 3.5 (commencing with Section 11340) of Part 1, to authorize the department to expedite the exercise of its power to implement regulations as its unique operational circumstances require.

(c) The adoption, amendment, or repeal of a regulation pursuant to this section becomes effective immediately upon filing with the Secretary of State.

(d) A regulation adopted pursuant to this section is repealed by operation of law, and the amendment or repeal of a regulation pursuant to this section is reversed by operation of law, two years after the commencement of the pilot program being implemented, unless the adoption, amendment, or repeal of the regulation is promulgated by the director pursuant to Chapter 3.5 (commencing with Section 11340) of Part 1. For the purpose of this subdivision, a pilot program commences on the date the first regulatory change implementing the program is filed with the Secretary of State.
