LEGISLATIVE COUNSEL'S DIGEST

Bill No.
as introduced, _____.
General Subject: State agencies: administrative costs.

Existing law requires the Department of Finance to certify to the Controller the amount determined to be the fair share of administrative costs due and payable from each state agency and to transfer that amount from specified funds to the Central Service Cost Recovery Fund. Existing law defines "administrative costs" as the amounts expended by various specified state entities for supervision or administration of the state government or for services to the various state agencies.

This bill would modify the definition of administrative costs to include amounts expended by the Department of General Services.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
