Dear Mr. Kirkpatrick:

Subject: Low and Moderate Income Housing Fund Due Diligence Review

Pursuant to Health and Safety Code (HSC) section 34179.6 (c), the Orange County Successor Agency (Agency) submitted an oversight board approved Low and Moderate Income Housing Fund Due Diligence Review (DDR) to the California Department of Finance (Finance) on October 17, 2012. The purpose of the review was to determine the amount of cash and cash equivalents available for distribution to the affected taxing entities. Since the Agency did not meet the October 15, 2012 submittal deadline pursuant to HSC section 34179.6 (c), Finance is not bound to completing its review and making a determination by the November 9, 2012 deadline pursuant to HSC section 34179.6 (d). However, Finance has completed its review of your DDR, which may have included obtaining clarification for various items.

It came to our attention that the DDR submitted did not account for all the former redevelopment agency's Low and Moderate Income Housing Funds (LMIHF). There are two LMIHFs; Fund 170 and 171. However, the DDR covered Fund 170 only.

HSC section 34179.6 (d) authorizes Finance to adjust the DDR's stated balance of Low and Moderate Income Housing Fund (LMIHF) available for distribution to the taxing entities. Based on our review of your DDR, the following adjustments were made:

- Per the Agency records, the cash and cash equivalents balance held as of June 2011 for Fund 171 is \$29,585,490; no additional documentation was available as of the date of this letter. Therefore, we are adjusting the assets held as of June 30, 2012 balance by \$29,585,490.

If you disagree with Finance's adjusted amount of LMIHF balances available for distribution to the taxing entities, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

[http://www.dof.ca.gov/redevelopment/meet\\_and\\_confer/](http://www.dof.ca.gov/redevelopment/meet_and_confer/)

The Agency's LMIHF balance available for distribution to the affected taxing entities is \$50,001,244 (see table below). Pursuant to HSC 34179.6 (h) (1) (B), any remittance related to unallowable transfers to a private party may also be subject to a 10 percent penalty if not remitted within 60 days.

<b>LMIHF Balances Available For Distribution To Taxing Entities</b>	
Available Balance per DDR:	\$ 20,415,754
Finance Adjustments	
Add:	
Adjustment to the June 30, 2012 balance:	29,585,490
<b>Total LMIHF available to be distributed:</b>	<b>\$ 50,001,244</b>

Absent a Meet and Confer request, HSC section 34179.6 (f) requires successor agencies to transmit to the county auditor-controller the amount of funds identified in the above table within five working days, plus any interest those sums accumulated while in the possession of the recipient.

If funds identified for transmission are in the possession of the successor agency, and if the successor agency is operated by the city or county that created the former redevelopment agency, then failure to transmit the identified funds may result in offsets to the city's or the county's sales and use tax allocation, as well as its property tax allocation. If funds identified for transmission are in the possession of another taxing entity, that taxing entity's failure to remit those funds may result in offsets to its sales and use tax allocation or to its property tax allocation.

Failure to transmit identified funds will also prevent the Agency from being able to receive a finding of completion from Finance. Without a finding of completion, the Agency will be unable to take advantage of the provisions detailed in HSC section 34191.4. Specifically, these provisions allow certain loan agreements between the former redevelopment agency (RDA) and the city, county, or city and county that created the RDA to be considered enforceable obligations.

These provisions also allow certain bond proceeds to be used for the purposes in which they were sold and allows for the transfer of real property and interests into the Community Redevelopment Property Trust Fund once Finance approves the Agency's long-range property management plan.

If you disagree with Finance's termination of LMIHF balances available for distribution to the taxing entities, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:
