

November 9, 2012

Ms. Marissa Christiansen, Assistant to the City Manager  
City of Redondo Beach  
415 Diamond Street  
Redondo Beach, CA 90277

Dear Ms. Christiansen:

Subject: Low and Moderate Income Housing Fund Due Diligence Review

Pursuant to Health and Safety Code (HSC) section 34179.6 (c), the City of Redondo Beach (Agency) submitted an oversight board approved Low and Moderate Income Housing Fund Due Diligence Review (DDR) to the California Department of Finance (Finance) on October 11, 2012. The purpose of the review was to determine the amount of cash and cash equivalents available for distribution to the affected taxing entities. Finance has completed its review of your DDR, which may have included obtaining clarification for various items.

HSC section 34179.6 (d) authorizes Finance to adjust the DDR's stated balance of Low and Moderate Income Housing Fund (LMIHF) available for distribution to the taxing entities. Based on our review of your DDR, the following adjustments were made:

- Unencumbered cash transferred to the City's housing entity and included on the Housing Asset Transfer Form in the amount of \$7 million was denied by Finance in our letter dated August 31, 2012. As such, the LMIHF amount available for distribution to the taxing entities has been adjusted by \$7 million.
- Your request to retain \$1.2 million of LMIHF funding for fiscal year 2012-13 obligations is denied. The fiscal year 2012-13 Recognized Obligation Payment Schedules submitted and evaluated by Finance did not identify any obligations to be funded by the LMIHF. Therefore, the LMIHF available for distribution to the taxing entities will be adjusted by \$1.2 million.

If you disagree with Finance's adjusted amount of LMIHF balances available for distribution to the taxing entities, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

[http://www.dof.ca.gov/redevelopment/meet\\_and\\_confer/](http://www.dof.ca.gov/redevelopment/meet_and_confer/)

The Agency's LMIHF balance available for distribution to the affected taxing entities is \$9,914,969 as summarized in the below table:

<b>LMIHF Balances Available For Distribution To Taxing Entities</b>	
Available Balance per DDR:	\$ 1,711,713
Finance Adjustments	
Add:	
Denied HAT items:	7,011,464
Requested retained balance not supported:	1,191,792
<b>Total LMIHF available to be distributed:</b>	<b>\$ 9,914,969</b>

Absent a Meet and Confer request, HSC section 34179.6 (f) requires successor agencies to transmit to the county auditor-controller the amount of funds identified in the above table within five working days. Failure to remit these funds may cause offsets to future sales and use or property tax distributions pursuant to HSC section 34179.6 (h).

If funds identified for transmission are in the possession of the successor agency, and if the successor agency is operated by the city or county that created the former redevelopment agency, then failure to transmit the identified funds may result in offsets to the city's or the county's sales and use tax allocation, as well as its property tax allocation. If funds identified for transmission are in the possession of another taxing entity, that taxing entity's failure to remit those funds may result in offsets to its sales and use tax allocation or to its property tax allocation.

Failure to transmit the identified funds will also prevent the Agency from being able to receive a finding of completion from Finance. Without a finding of completion, the Agency will be unable to take advantage of the provisions detailed in HSC section 34191.4. Specifically, these provisions allow certain loan agreements between the former redevelopment agency (RDA) and the city, county, or city and county that created the RDA to be considered enforceable obligations. These provisions also allow certain bond proceeds to be used for the purposes in which they were sold and allows for the transfer of real property and interests into the Community Redevelopment Property Trust Fund once Finance approves the Agency's long-range property management plan.

In addition to the consequences above, willful failure to return assets that were deemed an unallowable transfer or failure to remit the funds identified above could expose certain individuals to criminal penalties under existing law.

Pursuant to HSC section 34167.5 and 34178.8, the California State Controller's Office (Controller) has the authority to claw back assets that were inappropriately transferred to the city, county, or any other public agency. Determinations outlined in this letter and Finance's Housing Assets Transfer letter dated August 31, 2012 do not in any way diminish the Controller's authority.

Please direct inquiries to Kylie Le, Supervisor or Michael Barr, Lead Analyst at (916) 445-1546.

Sincerely,

STEVE SZALAY  
Local Government Consultant
