

April 1, 2013

Ms. Lisa Brancheau, Assistant to the City Manager  
City of Covina  
125 East College Street  
Covina, CA 91723

Dear Ms. Brancheau:

Subject: Other Funds and Accounts Due Diligence Review

Pursuant to Health and Safety Code (HSC) section 34179.6 (c), the City of Covina successor agency (Agency) submitted an oversight board approved Other Funds and Accounts (OFA) Due Diligence Review (DDR) to the California Department of Finance (Finance) on December 13, 2012. The purpose of the review was to determine the amount of cash and cash equivalents available for distribution to the affected taxing entities. Pursuant to HSC section 34179.6 (d), Finance has completed its review of your DDR, which may have included obtaining clarification for various items.

HSC section 34179.6 (d) authorizes Finance to adjust the DDR's stated balance of OFA available for distribution to the taxing entities. Based on our review of your DDR, Finance noted the following:

- The county auditor controller identified property transfers from the Agency to the City in March 2011, with a carry value of \$7,110,901. The non-liquid assets transferred to the City are subject to the California State Controller's Office review of asset transfers. To the extent these assets that transferred are not for a government purpose or pursuant to an enforceable obligation, these assets should be returned to the Agency and disposed of in a manner consistent to the Agency's Long Range Property Management Plan pursuant to HSC section 34191.5.

Because the identified transfers are non-liquid, the OFA balances available for distribution to the taxing entities will not be affected. As a result, the Agency's OFA balance available for distribution to the affected taxing entities is \$9,129,294, as stated in the OFA DDR.

HSC section 34179.6 (f) requires successor agencies to transmit to the county auditor-controller the amount of funds identified above within five working days, plus any interest those sums accumulated while in the possession of the recipient. Upon submission of payment, please provide proof of payment to Finance within five business days.

If funds identified for transmission are in the possession of the successor agency, and if the successor agency is operated by the city or county that created the former redevelopment agency, then failure to transmit the identified funds may result in offsets to the city's or the

county's sales and use tax allocation, as well as its property tax allocation. If funds identified for transmission are in the possession of another taxing entity, the successor agency is required to take diligent efforts to recover such funds. A failure to recover and remit those funds may result in offsets to the other taxing entity's sales and use tax allocation or to its property tax allocation. If funds identified for transmission are in the possession of a private entity, HSC 34179.6 (h) (1) (B) states that any remittance related to unallowable transfers to a private party may also be subject to a 10 percent penalty if not remitted within 60 days.

Failure to transmit the identified funds will also prevent the Agency from being able to receive a finding of completion from Finance. Without a finding of completion, the Agency will be unable to take advantage of the provisions detailed in HSC section 34191.4. Specifically, these provisions allow certain loan agreements between the former redevelopment agency (RDA) and the city, county, or city and county that created the RDA to be considered enforceable obligations. These provisions also allow certain bond proceeds to be used for the purposes in which they were sold and allows for the transfer of real property and interests into the Community Redevelopment Property Trust Fund once Finance approves the Agency's long-range property management plan.

In addition to the consequences above, willful failure to return assets that were deemed an unallowable transfer or failure to remit the funds identified above could expose certain individuals to criminal penalties under existing law.

Pursuant to HSC section 34167.5 and 34178.8, the California State Controller's Office (Controller) has the authority to claw back assets that were inappropriately transferred to the city, county, or any other public agency. Determinations outlined in this letter do not in any way eliminate the Controller's authority.

Please direct inquiries to Kylie Le, Supervisor or Michael Barr, Lead Analyst at (916) 445-1546.

Sincerely,

STEVE SZALAY  
Local Government Consultant
