Dear Mr. Raulston:

Subject: Other Funds and Accounts Due Diligence Review

Pursuant to Health and Safety Code (HSC) section 34179.6 (c), the City of National City, Successor Agency (Agency) submitted an oversight board approved Other Funds and Accounts (OFA) Due Diligence Review (DDR) to the California Department of Finance (Finance) on January 8, 2013. The purpose of the review was to determine the amount of cash and cash equivalents available for distribution to the affected taxing entities. Pursuant to HSC section 34179.6 (d), Finance has completed its review of your DDR, which may have included obtaining clarification for various items.

Based on our review, Finance made no adjustments to the OFA balance available for allocation to the affected taxing entities. As a result, there are no unencumbered OFA balances available for distribution.

Pursuant to HSC section 34167.5 and 34178.8, the California State Controller's Office (Controller) has the authority to claw back assets that were inappropriately transferred to the city, county, or any other public agency. Determinations outlined in this letter do not in any way eliminate the Controller's authority.

Please direct inquiries to Wendy Griffe, Supervisor or Derk Symons, Lead Analyst at (916) 445-1546.

Sincerely,

STEVE SZALAY
Local Government Consultant
