

RESOLUTION NO. OB 2014-20

A RESOLUTION OF THE OVERSIGHT BOARD OF THE SUCCESSOR AGENCY TO THE INDUSTRY URBAN-DEVELOPMENT AGENCY, THE FORMER REDEVELOPMENT AGENCY OF THE CITY OF INDUSTRY, APPROVING AN AMENDED LONG-RANGE PROPERTY MANAGEMENT PLAN

WHEREAS, the Successor Agency to the Industry Urban-Development Agency was formed in accordance with California Health and Safety Code Section 34173 (“Successor Agency”); and

WHEREAS, the Oversight Board (“Oversight Board”) of the Successor Agency was established pursuant to California Health and Safety Code Section 34179; and

WHEREAS, Health and Safety Code Section 34191.5(b) requires the Successor Agency to prepare a long-range property management plan (“LRPMP”) to address the disposition and use of the real properties of the former redevelopment agency; and

WHEREAS, upon preparation of a LRPMP, the Successor Agency must submit the LRPMP to the Oversight Board and the California Department of Finance for review and approval no later than six months following the issuance to the Successor Agency of a finding of completion, pursuant to Health and Safety Code Section 34191.5(b); and

WHEREAS, on October 8, 2013, the Oversight Board approved the Successor Agency’s LRPMP, with minor revisions approved on February 6, 2014, and delivered the LRPMP to the Department of Finance for review and approval; and

WHEREAS, on February 21, 2014, the Department of Finance approved the Successor Agency’s LRPMP; and

WHEREAS, the Oversight Board, through the adopted Resolution No. OB 2014-05, approved the donation to Caltrans of certain portions of the 600-acre property (the “Land”) subject to the Lease Agreement, dated April 28, 2005, which portions of the Land Caltrans (acting on behalf of the Successor Agency) needs to complete the Successor Agency’s obligation to construct a westbound on-ramp at Grand Avenue and SR-60; and

WHEREAS, upon review of the Oversight Board’s Resolution No. 2014-05, the Department of Finance denied the donation of property to Caltrans on the basis that the donation was inconsistent with the approved LRPMP;

WHEREAS, on May 22, 2014, Successor Agency staff met with Department of Finance and the Department of Finance advised the Successor Agency that in order to carry out the proposed donation of property to Caltrans, the Successor Agency would need to amend the LRPMP to separately identify each property designated for donation to Caltrans; and

WHEREAS, the Successor Agency desires to amend the approved LRPMP to separately (i) identify the portions of the Land the Successor Agency intends to donate to Caltrans in order to complete the construction of the Grand Avenue and SR-60 westbound on-ramp, and (ii) identify the portions of the Land needed by Caltrans to complete the construction of the westbound off-ramp at Grand Avenue as part of the Route 57/60 Confluence Project.

WHEREAS, the Successor Agency also desires to amend the LRPMP to reflect the reduction in lot size of the Land currently stated in the LRPMP, which reduction in size is the result of the separation of the portions of the Land to be donated to Caltrans (as described above); and

WHEREAS, the Successor Agency's proposed amendments to the LRPMP contemplated herein are set forth in the amended LRPMP, attached hereto as Attachment A; and

WHEREAS, the Oversight Board has determined that amendments to the LRPMP specified by the Department of Finance, and attached hereto as Attachment A, are valid and prepared in accordance with California Health and Safety Code Section 34191.5(b); and the amended LRPMP is consistent with the requirements of the Successor Agency to wind down the affairs of the Former Agency in accordance with California Health and Safety Code Section 34177(h); and

WHEREAS, California Health and Safety Code Section 34179(e) requires the Oversight Board to adopt resolutions for any action taken by the Oversight Board.

NOW, THEREFORE, BE IT RESOLVED by the Oversight Board as follows:

Section 1. Approval of Amended LRPMP. The Oversight Board hereby approves the Successor Agency's amended LRPMP, in the form attached hereto as Attachment A, which will allow the Successor Agency to donate certain portions of the Land to Caltrans to allow Caltrans to construct (on behalf of the Successor Agency) (i) a westbound on-ramp at Grand Avenue and SR-60 and (ii) a westbound off-ramp at Grand Avenue and SR-60. The amended LRPMP will also reflect a reduction in the total lot size for the Land previously identified in the LRPMP.

Section 2. Authorization of Successor Agency. Upon approval, or deemed approval, of this resolution ("Resolution") by the California Department of Finance, the Oversight Board authorizes and directs the Executive Director and/or Assistant Secretary of the Successor Agency, jointly and severally, to execute and deliver any and all documents and to take such other actions which they may deem necessary or advisable in order to effectuate the approval of this Resolution.

Section 3. Delivery to the California Department of Finance. The Oversight Board hereby authorizes and directs the Secretary of the Oversight Board to electronically deliver a copy of this Resolution to the California Department of Finance in accordance with California Health and Safety Code Section 34179(h).

Section 4. Other Actions. The Oversight Board hereby authorizes and directs the Chairman, Vice Chairman and/or Secretary of the Oversight Board, jointly and severally, to do

any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to effectuate the purposes of this Resolution, and such actions previously taken by such officers are hereby ratified and confirmed.

Section 5. Effect. This Resolution shall take effect upon approval, or deemed approval, of the California Department of Finance in accordance with California Health and Safety Code Section 34179(h).

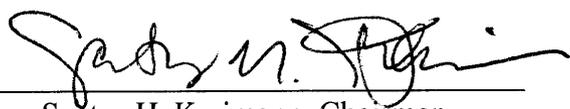

PASSED, APPROVED AND ADOPTED by the Oversight Board at a duly noticed meeting of the Oversight Board held on August 27, 2014, by the following vote:

Ayes: Board Member Duarte, Board Member Gregoryk, Board Member Hertzberg, Board Member Radecki, Vice Chairman Cipriani, and Chairman Kreimann

SUCCESSOR AGENCY TO THE
INDUSTRY URBAN - DEVELOPMENT AGENCY

MEMORANDUM

TO: Members of the Successor Agency to the Industry Urban-Development Agency

FROM: John Ballas, Agency Engineer

DATE: August 21, 2014

SUBJECT: First Amendment to the Long Range Property Management Plan (LRPMP)

Attached as Attachment "A" is the First Amendment to the LRPMP which reflects the addition of 5 parcels of land to be conveyed at no cost to Caltrans. Two for the Westbound On-ramp at Grand Avenue and three for the Westbound Off-ramp. These parcels are listed on the LRPMP as No. 73, 74, 75, 76 and 77 and are located within property No. 40 which is the 600 acre Agency property identified as the Industry Business Center. The lot size of property No. 40 has been revised to reflect the 5 parcels to be donated to Caltrans.

The construction of the Westbound Slip On-Ramp from Grand Avenue to State Route 60 is an approved, enforceable obligation of the Successor Agency and is listed on the Successor Agency's Recognized Obligation Payment Schedule ("ROPS") on lines 224 through 230. The westbound on-ramp project is environmentally cleared and presently in the right-of-way acquisition phase. The Successor Agency has engaged the State of California Department of Transportation ("Caltrans") to acquire all the required rights-of-way for the westbound on-ramp project. In that regard, Caltrans is listed as a payee on line No. 226 of the ROPS. Cooperative Agreement No. 07-4975, between Caltrans and the Successor Agency in which Caltrans will advertise, award, and administer the construction of the Westbound Slip On-Ramp, was approved by the Successor Agency on March 26, 2014. Construction of the On-ramp is expected to begin in August, 2015.

On February 25, 2014, the Successor Agency approved the donation of property for the on-ramp to Caltrans and authorized the execution of two corresponding "Acknowledgement of Donation" forms. The Agency also approved the related first amendment to the 2005 lease agreement in which the lessee agreed to release its lease hold rights over the area of land to be donated. Later that same day, the Oversight Board ("OB") adopted resolution No. OB 2014-05 approving the donation of certain rights of way to Caltrans and approving the first amendment to the 2005 lease agreement.

Upon review of Resolution No. OB 2014-05, the Department of Finance denied the donation of the rights of way to Caltrans in fee stating that they were inconsistent with the recently approved Long Range Property Management Plan ("LRPMP"). In addition, Finance denied the first lease amendment stating that such amendment did not constitute an enforceable obligation pursuant to Health and Safety Code Section 34163(c) and returned this action to the OB for reconsideration.

On May 22, 2014, Successor Agency staff met with Finance and determined that an amendment to the LRPMP would be an acceptable method whereby the subject parcels of land could be conveyed to Caltrans. It was also determined that Finance would be agreeable to the use of a "Quit Claim" deed to formally release the lessee rights over the land to be conveyed to Caltrans in lieu of use of a lease amendment.

Staff also indicated to Finance that the Successor Agency is moving forward with the initial phase of the Route 57/60 Confluence Project by constructing the Westbound Off-Ramp at Grand Avenue (ROPS line item Nos. 123-134). This Off-ramp is physically located opposite of the On-ramp and also requires the donation of Agency land to Caltrans as shown in Exhibit B. Construction of the Off-ramp is expected to begin construction in June, 2015. Consideration by the Successor Agency to donate right of way for the Off-ramp and acceptance of the executed quit claim deed for both ramps will be part of a separate agenda item.

Staff therefore recommends the Successor Agency approve the first amendment to the LRPMP. The next step will be for the OB to approve the Successor Agency action. Finance has requested that the OB resolution include a recital pertaining to the reduction in lot size for Property No. 40.

the Industry Urban-Development Agency

RESOLUTION NO. OB 2014-01

A RESOLUTION OF THE OVERSIGHT BOARD OF THE SUCCESSOR AGENCY TO THE INDUSTRY URBAN-DEVELOPMENT AGENCY, THE FORMER REDEVELOPMENT AGENCY OF THE CITY OF INDUSTRY, APPROVING DEPARTMENT OF FINANCE'S REVISIONS TO THE SUCCESSOR AGENCY'S LONG-RANGE PROPERTY MANAGEMENT PLAN

WHEREAS, the Successor Agency to the Industry Urban-Development Agency was formed in accordance with California Health and Safety Code Section 34173 ("Successor Agency"); and

WHEREAS, the Oversight Board ("Oversight Board") of the Successor Agency was established pursuant to California Health and Safety Code Section 34179; and

WHEREAS, the Successor Agency must expeditiously wind down the affairs of the former redevelopment agency as directed by the Oversight Board in accordance with California Health and Safety Code Section 34177(h); and

WHEREAS, the Successor Agency must prepare a long-range property management plan that addresses the disposition and use of the real properties of the former redevelopment agency in accordance with California Health and Safety Code Section 34191.5; and

WHEREAS, the Oversight Board previously approved the Successor Agency's long-range property management plan at a meeting duly noticed and held on October 8, 2013, and subsequently delivered the approved long-range property management plan to the Department of Finance for approval; and

WHEREAS, the Department of Finance requested that the Successor Agency make certain revisions to the Oversight Board-approved long-range property management plan, specifically requesting the Successor Agency (i) complete each cell contained in the inventory data form used to identify all of the Successor Agency's real property assets and (ii) change the permissible use designation for two properties; and

WHEREAS, the Successor Agency requests the Oversight Board approve the Department of Finance's revisions to the Oversight Board approved long-range property management plan and inventory data form, attached hereto as Attachment A; and

WHEREAS, all actions taken pursuant to the approved long-range property management plan, as revised, must first be brought before the Oversight Board for approval in accordance with California Health and Safety Code Section 34181(f); and

WHEREAS, the Oversight Board has determined that the Department of Finance's revisions to the approved long-range property management plan and inventory data form attached hereto as Attachment A, are valid and prepared in accordance with California Health and Safety Code Section 34191.5(c) and further, that such revisions are consistent with the

requirements of the Successor Agency to wind down the affairs of the Former Agency in accordance with California Health and Safety Code Section 34177(h); and

WHEREAS, California Health and Safety Code Section 34179(e) requires the Oversight Board to adopt resolutions for any action taken by the Oversight Board.

NOW, THEREFORE, BE IT RESOLVED by the Oversight Board as follows:

Section 1. Approval of Revisions to the Long-Range Property Management Plan. The Oversight Board hereby approves the Department of Finance's requested revisions to the Oversight Board approved long-range property management plan and inventory data form, in the form attached hereto as Attachment A. All actions taken under the revised long-range property management plan must be brought before the Oversight Board for approval.

Section 2. Authorization of Successor Agency. Upon approval of this resolution ("Resolution") by the California Department of Finance, the Oversight Board authorizes and directs the Executive Director and/or Assistant Secretary of the Successor Agency, jointly and severally, to execute and deliver any and all documents which they may deem necessary or advisable in order to effectuate the approval of the long-range property management plan.

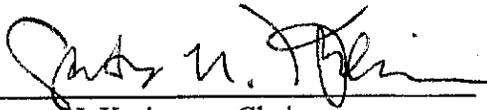

Section 3. Delivery to the California Department of Finance. The Oversight Board hereby authorizes and directs the Secretary of the Oversight Board to electronically deliver a copy of this Resolution to the California Department of Finance in accordance with California Health and Safety Code Section 34179(h).

Section 4. Other Actions. The Oversight Board hereby authorizes and directs the Chairman, Vice Chairman and/or Secretary of the Oversight Board, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to effectuate the purposes of this Resolution, and such actions previously taken by such officers are hereby ratified and confirmed.

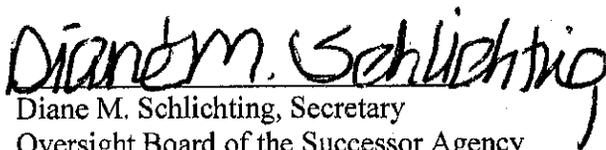

Section 5. Effect. This Resolution shall take effect upon approval of the California Department of Finance in accordance with California Health and Safety Code Section 34179(h).

PASSED, APPROVED AND ADOPTED by the Oversight Board at a duly noticed meeting of the Oversight Board held on February 6, 2014, by the following vote:

A RESOLUTION OF THE OVERSIGHT BOARD OF THE SUCCESSOR AGENCY TO THE INDUSTRY URBAN-DEVELOPMENT AGENCY, THE FORMER REDEVELOPMENT AGENCY OF THE CITY OF INDUSTRY, APPROVING THE SUCCESSOR AGENCY'S LONG-RANGE PROPERTY MANAGEMENT PLAN

WHEREAS, the Successor Agency to the Industry Urban-Development Agency was formed in accordance with California Health and Safety Code Section 34173 ("Successor Agency"); and

WHEREAS, the Oversight Board ("Oversight Board") of the Successor Agency was established pursuant to California Health and Safety Code Section 34179; and

WHEREAS, the Successor Agency must expeditiously wind down the affairs of the former redevelopment agency as directed by the Oversight Board in accordance with California Health and Safety Code Section 34177(h); and

WHEREAS, the Successor Agency must prepare a long-range property management plan that addresses the disposition and use of the real properties of the former redevelopment agency in accordance with California Health and Safety Code Section 34191.5; and

WHEREAS, the long-range property management plan, once approved by the Oversight Board and the Department of Finance, will govern and supersede all other provisions of the Health and Safety Code relating to the disposition and use of the real property assets of the former redevelopment agency; and

WHEREAS, the long-range property management plan must provide an inventory of all properties of the former redevelopment agency held by the Successor Agency, including specific property data, valuation, current use, and current or future development, and also address the proposed use, retention or disposition of all the properties held, as required by Health and Safety Code Section 34191.5(c); and

WHEREAS, the property held by the Successor Agency may not be transferred to a city, county or city and county unless the long-range property management plan has been approved by the Oversight Board and the Department of Finance; and

WHEREAS, the Successor Agency requests the Oversight Board approve its long-range property management plan in the form attached hereto as Attachment A, in accordance with California Health and Safety Code Section 34191.5(b); and

WHEREAS, all actions taken pursuant to the approved long-range property management plan must first be brought before the Oversight Board for approval in accordance with California Health and Safety Code Section 34181(f); and

WHEREAS, the transfer of any governmental use property under the approved long-range property management plan will be subject to a deed restriction requiring the transferred property to be utilized only for a governmental purpose and upon the discontinuance of such governmental use, the property will transfer back to the Successor Agency, or its successor.

WHEREAS, the Oversight Board has determined that the long-range property management plan attached hereto as Attachment A is valid and prepared in accordance with California Health and Safety Code Section 34191.5(c) and that the preparation of the long-range property management plan is consistent with the requirements of the Successor Agency to wind down the affairs of the Former Agency in accordance with California Health and Safety Code Section 34177(h); and

WHEREAS, California Health and Safety Code Section 34179(e) requires the Oversight Board to adopt resolutions for any action taken by the Oversight Board.

NOW, THEREFORE, BE IT RESOLVED by the Oversight Board as follows:

Section 1. Approval of Long-Range Property Management Plan. The Oversight Board hereby approves the Successor Agency's long-range property management plan in the form attached hereto as Attachment A, and all actions taken thereunder must be brought before the Oversight Board for approval. All proceeds received from the sale of such properties listed in the long-range property management plan will be utilized to satisfy outstanding enforceable obligations or transferred to the Los Angeles County Auditor-Controller for distribution to the taxing entities. Each governmental use property under the approved long-range property management plan will be subject to a deed restriction requiring the transferred property to be utilized only for a governmental purpose and upon the discontinuance of such governmental use, the property will transfer back to the Successor Agency, or its successor.

Section 2. Authorization of Successor Agency. Upon approval of this resolution ("Resolution") by the California Department of Finance, the Oversight Board authorizes and directs the Executive Director and/or Assistant Secretary of the Successor Agency, jointly and severally, to execute and deliver any and all documents which they may deem necessary or advisable in order to effectuate the approval of the long-range property management plan.

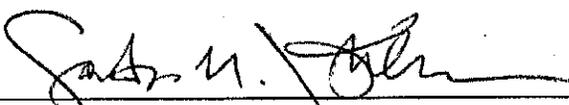

Section 3. Delivery to the California Department of Finance. The Oversight Board hereby authorizes and directs the Secretary of the Oversight Board to electronically deliver a copy of this Resolution to the California Department of Finance in accordance with California Health and Safety Code Section 34179(h).

Section 4. Other Actions. The Oversight Board hereby authorizes and directs the Chairman, Vice Chairman and/or Secretary of the Oversight Board, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to effectuate the purposes of this Resolution, and such actions previously taken by such officers are hereby ratified and confirmed.

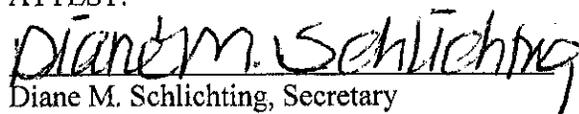

Section 5. Effect. This Resolution shall take effect upon approval of the California Department of Finance in accordance with California Health and Safety Code Section 34179(h).

EXHIBIT 1

Long Range Property Management Plan
Successor Agency to the Industry Urban-Development Agency
Approved October 3, 2013

The following outline incorporates all 68 properties/assets that have been identified as owned by the Successor Agency to the Industry Urban-Development Agency. The properties have been placed into different categories based upon the specifics of the property and approach to its disposition. A staff report has been prepared for each property including a description of the property, the background associated with its acquisition, proposals that have been made and the staff recommendation for its disposition.

- A. Properties that have no commercial value, including remnant pieces, landscape areas, ROW, slope area and properties that are governmental use. The staff recommends that these properties be conveyed at no cost to the City. The City will in some cases approach adjacent property owners to take properties at no cost and for those that remain in the City ownership the City will be responsible for their maintenance. There are 21 properties in this category listed below (Attachment A, staff report and maps).

June 2013

Property Description

Address: 804 Azusa Ave. # 70 on Property List

Size: 4.11 acres

Date Purchased: March 2001

IUDA Purchase Price: \$3,201,000

Estimated Current Value: \$3,222,568 @ \$18 SF, \$2,300,000-2,400,000 March 2012 appraisal

Reason Acquired: To facilitate the demolition of the older obsolete industrial buildings and redevelopment of the site with new construction.

Plan and Zoning: Industrial

Lease Revenue: None

Environmental: Phase I, no remediation

Potential for Transit-Oriented Development: None

History of Development Proposals: The property was acquired in 2001 by the City as part of a larger acquisition to the east of Azusa Ave. In 2002 the property was transferred to the IUDA. In 2006 the IUDA and City adopted resolutions to transfer the property back to the City as a part of the repayment of a loan from the City to the IUDA. Based upon a February 2006 appraisal the value of the land transferred was \$3,200,000. Due to an oversight the grant deed was never recorded, however the repayment of the loan was accounted for as a part of larger transfer. Attached are the minutes and resolutions of the IUDA and City Council regarding the transfer of the property.

Staff Recommendation: Staff recommends the property be conveyed to the City at no cost on the basis that all actions, including the retirement of debt, were completed except for the recording of the Grant Deed.

June 2013

Property Description

Address: 205 Hudson, # 44 on Property List

Size: 0.5 acres, 5,544 SF building

Date Purchased: June 2001

IUDA Purchase Price: \$400,000

Estimated Current Value: \$471,240 @\$85 SF

Reason Acquired: To facilitate use by YAL

Plan and Zoning: Institutional, parcel data and Assessor information included in binders

Lease Revenue: None

Environmental: Phase I, no remediation

Potential for Transit-Oriented Development: None

History of Development Proposals: The property is located immediately across Hudson Ave. from the Sheriff's station. The IUDA purchased the property to provide the Youth Activities League with space for their offices. A portion of the building is also used to provide space for Sheriff's Department personnel. It is made available at no cost.

Staff Recommendation: The staff recommends the property be conveyed to the City at no cost.

June 2013

Property Description

Address: 15415 Don Julian, # 55 on Property List

Size: 9.86 acres

Date Purchased: July 1980

IUDA Purchase Price: NA

Estimated Current Value: NA

Reason Acquired: The site was purchased to establish an historical museum as the site of the Workman family home and the gravesite of Pio Pico. The facility is operated by Historical Resources LLC, a non-profit that operates it as a museum and cultural center.

Plan and Zoning: Institutional, parcel data and Assessor information included in binders

Lease Revenue: None

Environmental: Phase I, no remediation

Potential for Transit-Oriented Development: None

History of Development Proposals: The facility has operated since acquisition as a museum and cultural center and has been placed on the State list of historical sites. The City supports the facility by providing for all of the repairs and maintenance as well as underwriting a portion of its operating expenses. Last fiscal year the City contributed \$1.8 million to the operation and annually the City's cost are approximately \$1 million.

Staff Recommendation: The staff recommends the property be conveyed to the City at no cost and the City will continue to support its operation as a museum and cultural center.

Attachment B

Attachment B contains those properties to be made available for sale. The properties include those to be offered to tenants and/or the City first and if no interest offered generally for sale.

The properties the staff recommends be offered for sale utilize the process outlined below. It is anticipated that any sale including those properties above would have to meet the basic criteria of agreement to pay a reasonable price based on a current appraisal and submission of a Development Plan and Schedule acceptable to the City. The properties would be distributed to brokers and interested parties. Competing proposals would be evaluated based upon the following criteria to determine which prospective buyer to work with on finalizing a project to forward to the Successor Agency and Oversight Board for approval.

- Agreement to pay a reasonable price based upon a current appraisal
- A development Plan and schedule through construction acceptable to the City
- An estimate of the assessed value of the project
- Identification of the end user, the job creation and if the user is a local company
- Identification of the type of intended tenants if the project is speculative

It is planned that the appraisals required for each property will be the responsibility of the prospective buyer and would be undertaken by an appraiser selected from a pre approved list determined by issuing a Request for Qualifications. Keyser Marston would assist with the RFQ and selection process for Brokers and appraisers as well as review and selection of proposals.

September 2013

Property Description

Address: 555 El Encanto Road, # 53 on Property List

Size: 5.02 acres, convalescent hospital

Date Purchased: December 1976

IUDA Purchase Price: \$3,361,676

Estimated Current Value: NA

Reason Acquired: To ensure the continued operation of the facility as a skilled nursing facility.

Plan and Zoning: Institutional, Assessor data and map included in binders

Lease Revenue: \$1 per year

Environmental: NA

Potential for Transit-Oriented Development: None

History of Development Proposals: The property was acquired in 1975 to provide for its continued operation as a skilled nursing facility. The 200 bed facility was constructed in 1950 and has operated continuously since that time. Through-out the time of IUDA ownership the City has provided financial support for improvements and operations with loans of approximately \$36 million (loan document attached).

Staff Recommendation: Staff recommends the property be offered to the City for sale.

June 2013

Property Description

Address: 911 Bixby Drive, # 29 on Property List

Size: 11.48 acres

Date Purchased: March 2001

IUDA Purchase Price: \$12,500,000

Estimated Current Value: NA

Reason Acquired: To facilitate development of an electrical power plant

Plan and Zoning: Industrial, zoned Institutional, parcel data and Assessor information included in binders

Lease Revenue: \$1,000 per month through 2023, and then escalates

Environmental: Phase I, no remediation

Potential for Transit-Oriented Development: None

History of Development Proposals: The lease with Walnut Creek Energy, LLC dated March 11, 2008 and the amendment to the lease dated August 27, 2009 are attached. The plant as of January 2013 is completed and undergoing testing.

Staff Recommendation: The staff recommends the property be retained by the Successor Agency and lease revenues be utilized to pay for enforceable obligations until an optimum time to sell is determined.

June 2013

Property Description

Address: 17545, # 33 on Property List

Size: 5.99 acres, site contains a 56,150 SF retail building leased to Best Buy

Date Purchased: April 2005

IUDA Purchase Price: \$16,700,000

Estimated Current Value: \$9,000,000 to \$12,000,000 (preliminary estimate by Keyser Marston)

Reason Acquired: To facilitate development of the Auto Mall

Plan and Zoning: Automobile Zone, parcel data and Assessor information included in binders

Lease Revenue: \$79,166 per month through February 2018

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The property was purchased to facilitate the build out of the Auto Mall as it is located in the center of the Mall. Once the lease expires the building is suitable for conversion to an auto dealership.

Staff Recommendation: Staff recommends the property be retained by the Successor Agency and lease revenues be utilized to pay for enforceable obligations until the optimum time to sell is determined.

June 2013

Property Description

Address: 17723 Gale Ave., # 35 on Property List

Size: 4.02 acres, site contains a new building constructed as a new auto dealership

Date Purchased: January 2004

IUDA Purchase Price: \$40,000,000 (Part of a larger purchase)

Estimated Current Value: \$3,000,000 to \$3,200,000 (preliminary estimate by Keyser Marston based upon favorable lease terms)

Reason Acquired: To facilitate development of the Auto Mall Center

Plan and Zoning: Automobile Zone, parcel data and Assessor information included in binders

Lease Revenue: \$5,000 per month for 3 years then escalates October 2013 to \$23,417 to \$25,417 in year 6, to \$25,925 in year 11 and by 2% per year through 2025.

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The property was acquired in 2004 as part of a larger acquisition and subsequently the IUDA created this parcel for the development of a new car dealership. Through a DDA the property was sold to a Mazda dealer who was to construct a new facility. Mid way through construction the construction lender initiated foreclosure on the dealer. The IUDA took over the construction loan and completed the facility. In October 2010 the IUDA leased the property to a new Mazda dealer. The term of the lease is 15 years (12 years remaining) and includes two (2) five (5) year options to extend at Fair Market Value. The lease includes an option to the tenant to purchase the property for \$7.5 million or fair market value whichever is higher.

Staff Recommendation: The staff recommends the property be retained by the Successor Agency and the revenues used to pay for enforceable obligations until the tenant exercise their option to buy or a sale can be realized for a higher value.

June 2013

Property Description

Address: Industry Business Center, # 40 on Property List

Size: 600 acres

Date Purchased: 3 acquisitions, 1981 & 1982

IUDA Purchase Price: \$27,631,890 (total land purchased approximately 603 acres)

Estimated Current Value: NA

Reason Acquired: To facilitate new development

Plan and Zoning: Industrial

Lease Revenue: None

Environmental: Final EIR for industrial/commercial approved and amended EIR for a Stadium approved

Potential for Transit-Oriented Development: None

History of Development Proposals: The IUDA entered into a 65 year lease with Majestic realty in 2005 for the development of 4 million square feet of industrial/commercial development. Subsequently the City approved a CUP for the development of a stadium on the site. As required by the lease the IUDA would be responsible for grading and infrastructure on the site a cost of approximately \$172,000,000. The Department of Finance has found that the lease on the property with Majestic Realty is an "Enforceable Obligation". With this finding the requirement in the lease for the grading and infrastructure becomes the responsibility of the Successor Agency. Staff has prepared a financing plan for the Successor Agency to meet this obligation. The plan is based upon using the proceeds from land sales as the method for the Successor Agency to raise the funds necessary.

Staff Recommendation: Staff recommends that the property be retained by the Successor Agency the property to fulfill the enforceable obligation until the optimum time to sell is determined.

June 2013

Property Description

Address: 841 S. 7th Street, # 43 on Property List

Size: 0.66 acres

Date Purchased: March 1999

IUDA Purchase Price: \$1,600,000

Estimated Current Value: Unknown

Reason Acquired: To acquire the ROW needed for 7th Street

Plan and Zoning: Industrial

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The property was acquired in March 1999 by the IUDA with the acquisition of additional ROW on S. 7th Street which eliminated the access to the property from S. 7th Street. Due to the small size of the parcel and limited access the property was not suitable for industrial or commercial development. The Agency renovated the property for use as a community Youth Center operated by the Youth Activities League.

Staff Recommendation: The staff recommends the property be offered for sale to the YAL and City and if no interest the property to be made generally available for sale.

June 2013

Property Description

Address: 15252 Stafford Street, # 45, #22 and part of #46 on Property List

Size: 5.025 acres, 4.55 acres Helipad, parking and vacant (.475 acres part of #46)

Date Purchased:

IUDA Purchase Price:

Estimated Current Value: \$3,940,000 as industrial

Reason Acquired: To facilitate use by Sheriff

Plan and Zoning: Institutional

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The property is located next to the Sheriff's station on the south side of Stafford Street. The IUDA improved the site with a heliport and temporary office trailers. The site has been available to the Sheriff's Department at no cost.

Staff Recommendation: The staff recommends that the property be offered to the Sheriff and City for sale. If none of the parties are interested then the property would be made generally available for sale.

June 2013

Property Description

Address: 15660 Stafford Street, # 49, #23 and part of #46 on Property List

Size: 4.23 acres, the site contains one building of 10,000 square feet shared by the US Post Office and the Los Angeles County Fire Prevention office

Date Purchased: November 1979 and March 2005

IUDA Purchase Price: \$51,965 & \$1,195,000

Estimated Current Value: \$5.4 million @ \$30 SF for land

Reason Acquired: To facilitate future civic center development

Reason Acquired: To facilitate potential future expansion of El Encanto hospital

Plan and Zoning: Institutional

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: Potential Park and Ride site

History of Development Proposals: None

Staff Recommendation: Staff recommends that the property be offered to El Encanto Hospital and the City. The City has developed plans to relocate the Park and Ride on property # 51 to this site. If none of the parties are interested then the property would be made generally available for sale.

June 2013

Property Description

Address: Garcia Lane Fire Station Site, # 66 on Property List

Date Purchased: Part of the purchase for #41, Grand Crossing

IUDA Purchase Price: Unknown

Estimated Current Value: \$2.2 mill. (as industrial land @ \$22 SF)

Reason Acquired: Part of larger purchase (Grand Crossing)

Plan and Zoning: Institutional

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: None, after acquisition the property has been identified as a potential fire station site for the east side of the City.

Staff Recommendation: Staff recommends that the property be offered for sale to the Los Angeles County Fire Department and if no interest in acquiring the property would be made generally available for sale.

June 2013

Property Description

Address: Tres Hermanos Ranch, # 68 on Property List

Size: 2,450 acres, cattle ranch

Date Purchased: November 1978

IUDA Purchase Price: \$12,100,000

Estimated Current Value: \$85,750,000 to \$122,500,000 (preliminary by Keyser Marston)

History of Development Proposals: There have been a series of reports and studies on the use of the property for the development of reservoirs and other public uses.

Staff Recommendation: Staff recommends the property be offered for sale to the City and if the City has no interest in acquiring the property would be made generally available for sale.

June 2013

Property Description

Address: 208 Waddingham Way, # 65 on Property List

Size: 3.86 acres

Date Purchased: Feb. 2003

IUDA Purchase Price: \$931,000 (land)

Estimated Current Value: Unknown

Reason Acquired: The site was acquired specifically as a site for an electrical substation

Plan and Zoning: Institutional

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The Agency purchased the property for the development of an electrical substation. The City and the Redevelopment Agency then improved the property with the construction of the substation. The facility will be part of the City's system and is designed to serve the Businesses at Grand Crossing (425 acres) and Industry Business Center (600 acres).

Staff Recommendation: The staff recommends the property be conveyed to the City.

June 2013

Property Description

Address: Puente Basin Water Rights, # 72 on Property List

Size: NA

Date Purchased: 1981 (date of court decision)

IUDA Purchase Price: NA

Estimated Current Value: NA

Reason Acquired: NA

Plan and Zoning: NA

Environmental: NA

Potential for Transit-Oriented Development: NA

History of Development Proposals: Through a Superior Court Judgment in 1981 the City and IUDA were determined to each own one quarter of the "Declared Safe Yield" of the Puente Hills Water Basin, determined to be 4,400 acre feet per year or one quarter of the annual operating safe yield typically set by the Water Master at 1,500 acre feet. This amount to be adjusted annually based upon the calculation of the operating safe yield and prior amounts pumped. The IUDA has leased a portion of their water rights to the Royal Vista Golf Course at \$481 per acre foot. In 2011-2012 the IUDA's water rights were 350 acre feet, however only 113 acre feet were pumped.

Staff Recommendation: The staff recommends the Water Rights be conveyed to the City.

June 2013

Property Description

Address: 13530 Nelson Ave., # 10 on Property List

Size: 2.08 acres, vacant

Date Purchased: Dec. 2007

IUDA Purchase Price: \$5,783,974

Estimated Current Value: \$1,993,305 @ \$22 SF

Reason Acquired: To facilitate the demolition of the older obsolete industrial building and redevelopment of the site with new construction.

Plan and Zoning: Industrial, parcel data and Assessor information included in binders

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The original acquisition was for 3.95 acres (equivalent to \$33 SF for land). After acquisition the IUDA demolished the older industrial building. In 2010 a portion of the property, 1.87 acres on the westerly boundary was sold to the adjoining property owner which allowed them to improve the access to their loading docks. This sale was for \$1,550,723 (\$19 SF). The adjacent property owner has expressed an interest in acquiring the property.

Staff Recommendation: Staff recommends the property be conveyed to the City for future development.

June 2013

Property Description

Address: 15432 Nelson Ave., # 12 on Property List

Size: 0.87 acres, vacant

Date Purchased: December 2011

IUDA Purchase Price: \$11,316,888 (part of larger acquisition)

Estimated Current Value: \$833,738 @ \$22 SF

Reason Acquired: To facilitate development of new industrial development on the site

Plan and Zoning: Industrial

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The original purchase was for a Chevrolet dealership that was moving to a new location. The property and the 7 buildings purchased were on 5.989 acres (equivalent to \$43 for land). The property was cleared by the Agency and 5.119 acres sold (at \$16.8 SF) to a developer who built a new industrial building. The June 2006 appraisal of \$17,750,000 was for a larger site of 9.41 acres (\$43 SF for land).

Staff Recommendation: Staff recommends that the property be conveyed to the City for future development.

June 2013

Property Description

Address: 1123, 1129 and 1135 Hatcher Ave., # 59 & 60 on the Property List

Size: 4.95 acres, two older industrial buildings

Date Purchased: September 2002 and December 2008

IUDA Purchase Price: \$6,267,508

Estimated Current Value: \$5,050,000 (March 2010 appraisal \$5,050,000), if the 32,670 SF building is kept it would have estimated value of \$2,776,950 @ \$85 SF and the land on the other parcel would have an estimated value of \$1,792,058 at \$18 SF, Total of \$4,569,000.

Reason Acquired: To facilitate the development of new industrial development

Plan and Zoning: Industrial

Lease Revenue: \$1,563 per month from AT & T cell site

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: None, the building at 1129 Hatcher needs to be demolished due to its age and condition. The building at 1123 Hatcher is currently used for City storage.

Staff Recommendation: Staff recommends the property be offered for sale to the City and if no interest be made generally available for sale.

Date Purchased: December 2010

IUDA Purchase Price: \$6,944,000

Estimated Current Value: \$4,963,226 @ \$18 SF, \$4,180,000 as land in a March 2012 appraisal update

Reason Acquired: To facilitate redevelopment of the site to new industrial development

Plan and Zoning: Industrial

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The property was purchased from Zion First Natl. Bank which it took in a foreclosure in June Of 2009. The property contained a large industrial building consisting of 128,227 SF and was appraised in May of 2010 at \$7,500,000. The IUDA paid \$6,944,000 in December of 2010 due to potential environmental problems. The IUDA had plans to demolish the building after the passage of AB 26. Several companies have expressed interest in acquiring the property.

Staff Recommendation: Staff recommends the property be offered for sale through direct contact or through brokers.

Property Description

Address: 17370 Gale Ave., # 4 on Property List

Size: 1.32 acres, 25,000 SF building

Date Purchased: July 2009

IUDA Purchase Price: \$7,450,000

Estimated Current Value: \$5,112,000 @ \$213 SF; Updated appraisal of October 2010 at \$4,850,000

Reason Acquired: To facilitate reuse of the site consistent with the Auto Mall zoning

Plan and Zoning: Automobile Zone

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The property was leased and occupied by a retail mattress outlet. Once the lease expired the IUDA purchased the property to ensure a reuse of the property consistent with the Automobile Zone which restricts its use to new car dealership. There has been interest in the property for use as a used car facility. The only new car dealership with an interest is the Chrysler Realty Group to use the property for a Fiat dealership

Staff Recommendation: Staff recommends that the property be offered for sale through direct contact or through brokers.

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The property was purchased by the IUDA as an older vacant lumber yard containing poll barns and a small office building. After purchase the IUDA cleared the site. The property has been identified by Northrop Grummon as a site for a water treatment facility required by the EPA. Northrop Grummon in a presentation to the Oversight Board has agreed to pay for the easements required by the water treatment facility. In the interim the property has been leased on a month to month basis to Logistics Terminals Inc. for container storage until they move to their new facility in the City, the lease has been terminated and the tenant is moving out.

Staff Recommendation: Staff recommends that the property be made offered for sale through direct contact or through one or more brokers.

Reason Acquired: To facilitate redevelopment of the site to new industrial development

Plan and Zoning: Industrial

Lease Revenue: \$1,560 per month (T-Mobil cell site to 2018 plus renewal)

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The 2 properties were purchased in 2010 as older lumber yards and after acquisition were cleared. The property appraisal was updated for land only in November of 2011 and March of 2012 at a value of \$7,015,000. Several companies have expressed their interest in acquiring the property.

Staff Recommendation: Staff recommends the property be offered for sale through direct contact or the use brokers.

Property Description

Address: 333 Hacienda Blvd., # 1 on Property List

Size: 9.5 acres

Date Purchased: November 2005

IUDA Purchase Price: \$17,770,000

Estimated Current Value: \$6,621,120 @ \$16 SF, \$7,400,000 to \$7,500,000, 2012 appraisal update

Reason Acquired: To facilitate redevelopment of the site to new industrial development

Plan and Zoning: Industrial

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: When purchased the property contained an 110,000 SF commercial building which was leased by K-Mart. The IUDA purchased the property and once the lease ran out demolished the building and rezoned the property to industrial. The property was appraised in May of 2010 as land at \$7,400,000 to \$7,500,000, which was updated in January of 2012 at the same value. Several companies have expressed their interest in acquiring the property.

Staff Recommendation: Staff recommends the property be offered for sale through direct contact or through brokers.

Reason Acquired: To facilitate development of new industrial development

Plan and Zoning: Industrial

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The property is the remainder piece to a larger acquisition that consisted of 20.11 acres (equivalent to \$15.4 SF). The property was appraised in November of 2010 at \$3,850,000. Panattoni Development Company has expressed an interest in the property and is potentially working with the City and adjacent owner of the older commercial strip center to make improvements.

Staff Recommendation: Staff recommends that the property be made available for sale through direct contact or through brokers.

Property Description

Address: 111 Hudson Street, # 18 on Property List

Size: 1.83 acres

Date Purchased: February 2005

IUDA Purchase Price: \$4,000,000

Estimated Current Value: \$1,753,725 @ \$22 SF

Reason Acquired: To Facilitate new industrial development

Plan and Zoning: Industrial

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: After the IUDA acquired the property consideration was given to the possibility of the Los Angeles County Sheriff utilizing the space. When this did not materialize the IUDA demolished the 40,000 SF older industrial building that was on the site.

Staff Recommendation: Staff recommends the property be made available for sale through brokers.

Property Description

Address: 17475 Gale Ave., # 32 on Property list

Size: 5.28 acres, vacant

Date Purchased: July 2001

IUDA Purchase Price: \$7,500,000 (March 2003 appraisal \$8,000,000)

Estimated Current Value: \$5,858,820 @ \$25 SF, July 2004 appraisal \$6,635,000)

Reason Acquired: To facilitate development of new auto mall

Plan and Zoning: Automobile Zone (permits development of new auto dealership only)

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: After acquisition the IUDA demolished the building on the site. Several existing auto dealers have expressed interest in acquiring the property. This property could be considered for sale with 17201-17301 Gale Ave. (# 31 on Property List) if adjacent property owner (R. Y. Properties) has an interest in including this property with his and the larger property at 17201-17301 Gale Ave.

Staff Recommendation: Staff recommends the property be made available through direct contact or through brokers.

Property Description

Address: 17647 Gale Ave., # 34 on Property List

Size: 6.25 acres

Date Purchased: January 2004

IUDA Purchase Price: \$40,500,000 (part of larger purchase)

Estimated Current Value: \$6,806,250 @ \$25 SF (February 2008 appraisal \$8,169,000)

Reason Acquired: To facilitate development of new auto mall

Plan and Zoning: Automobile Zone (permits development of new auto dealerships only)

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The property when purchased was a commercial center of 25 acres. The purchase price of \$40,500,000 included commercial structures with tenants. The price would be approximately \$37.2 per square foot of land only. Once the tenants were gone or relocated the IUDA cleared the property, subdivided it and sold the new parcels to auto dealers. This parcel is the only remaining one from the purchase of the original 25 acres. Several local auto dealers have expressed an interest in acquiring the property.

Staff Recommendation: Staff recommends that the property be made available for sale through direct contact or through brokers.

Reason Acquired: To facilitate new industrial development

Plan and Zoning: Industrial

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: CT Realty Investors has expressed an interest in acquiring the property and adjacent property at 17300 Chestnut (property # 58). Property could potentially be combined with 17300 Chestnut, the property adjacent to the north to create a larger site.

Staff Recommendation: Staff recommends the property be made available for sale through direct contact or through brokers.

Property Description

Address: 17300 Chestnut Street, #58 on Property List

Size: 20.14 acres

Date Purchased: February 2002

IUDA Purchase Price: \$13,490,000 (included \$6,100,000 of relocation)

Estimated Current Value: \$12,282,177 @ \$14 SF

Reason Acquired: To facilitate redevelopment of site to new Industrial development

Plan and Zoning: Industrial

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: CT Realty Investors has expressed an interest in purchasing the property and the adjoining property # 30 on the Property List. The property would be available once recycle material is removed, approximately July of 2014.

Staff Recommendation: Staff recommends that the property be made available for sale through direct contact or through brokers.

Size: 11.33 acres

Date Purchased: 1975, 1980 & February and August 2009

IUDA Purchase Price: \$12,325,000

Estimated Current Value: Office Buildings \$6 million @ \$213 SF, vacant land \$3.5 million @ \$30 SF Total \$9.5 million

Reason Acquired: Part of the acquisition that included a new City Hall and surrounding uses

Plan and Zoning: Institutional

Lease Revenue: \$33,275 (Bank Leases)

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: A proposal was being developed by the IUDA to sell a part of # 50 on the property list to the owner of the property at 255 Hacienda Blvd. for the construction of a new 20,000 square foot office building.

Staff Recommendation: The staff recommends that the properties be combined for sale and made available through direct contact or through brokers. The portion of the property serving City Hall as parking would be turned over to the City as part of a sale.

Property Description**Address:** 19835 E. Walnut Drive, # 5 on Property List**Size:** 1.96 acres, 39,677 SF warehouse building**Date Purchased:** January 2008**IUDA Purchase Price:** \$5,900,000**Estimated Current Value:** \$3,174,160 to \$3,570,930 (most recent appraisal information)**Reason Acquired:** To facilitate Alameda Corridor East (ACE) in ROW acquisition for the Fairway underpass project**Plan and Zoning:** Industrial**Lease Revenue:** \$500 per month, month to month**Environmental:** Phase I, no remediation**Potential for Transit-Oriented Development:** None

History of Development Proposals: The IUDA purchased the property to facilitate the construction of the ACE project. There will be right of way dedications of two portions of the property adjoining both Fairway Drive and E. Walnut Drive. The main entrance to the property from Fairway Drive will be eliminated. The parking area in the front of the building will not be available during construction and space for several spaces will be lost permanently. After completion of the underpass project, parking in the front of the building will only be accessible by entering the E. Walnut Drive entrance and driving along the northern side of the building. Once the impacts of the project were identified the IUDA commissioned an update of the original appraisal of the property. The updated appraisal (completed in March 2011) established a market value of \$3,174,160 to \$3,570,930 (\$80 to \$90 SF).

Skyscraper Brewery is a brewer and distributor of their brand of beer as well as other brands. They had out grown their facility in El Monte and the IUDA property would be suitable for their expansion needs. The staff of the IUDA worked with Skyscraper during the fall of 2010 and spring of 2011 to develop a DDA. The DDA was completed and placed on the IUDA agenda for approval by the IUDA Board in June of 2011. However, it was removed from the agenda and not acted upon by the IUDA Board due to the passage of AB 26.

Staff Recommendation: Staff recommends that Skyscraper Brewery be given the right to purchase the property at fair market value or to enter into a 30 year lease at market rate that can be subordinated to their lender. If an agreement with Skyscraper Brewery cannot be reached the property would be made available for sale through direct contact or through brokers.

Property Description

Address: 17201-17301 Gale Ave., # 31 on Property List

Size: 19.08 acres, the site is vacant

Date Purchased: April 2006

IUDA Purchase Price: \$38,800,000

Estimated Current Value: \$16,622,496 (as commercial at \$20 SF)

Reason Acquired: To facilitate redevelopment of site

Plan and Zoning: Automobile Zone

Lease Revenue: None

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The property was the site of a failing commercial development that included a vacant Costco and Staples Office Supply store. Both had relocated to other sites in the City north of the 60 Freeway. After acquisition and remaining tenants were relocated the buildings on the site were demolished and the site is now vacant. The site is zoned with the Automobile Zone which permits new car dealerships only. The City would consider amending the zoning for an acceptable development plan. R. Y. Properties Inc. approached the IUDA on the feasibility of a commercial development on the site. Discussions between RY Properties and the IUDA included the possibility of a joint venture and R. Y. Properties willingness to include their property adjoining the site to the east in a project. On the basis of their being an owner participant the IUDA issued an Exclusive Negotiating Agreement to R.Y. Properties in January of 2011. R. Y. Properties prepared and reviewed with the IUDA staff several development scenarios for the site which the staff found generally acceptable.

Staff Recommendation: The staff recommends that R. Y. Properties be given the opportunity to purchase the property at reasonable price contingent upon their submitting a development plan acceptable to the City. The staff also recommends that the property at 17445 Gale Ave. (#32 on the Property List) be considered for inclusion as it is adjacent to the R. Y. Properties site. This would create a site of approximately thirty acres from Hatcher Ave. to Azusa Ave. If agreement cannot be reached with RY Properties the property would be made available for sale through direct contact and through brokers.

Property Description

Address: Grand Crossing, # 41 on Property List

Size: 425 acres

Date Purchased: 6 purchases 1990, 1981 and 1982

IUDA Purchase Price: \$11,210,631 (approximately 447 acres)

Estimated Current Value: NA

Reason Acquired: To facilitate new development

Plan and Zoning: Industrial and Commercial, parcel data and Assessor information included in binders

Lease Revenue: \$4.7 million in 2011, \$4.23 million in 2012

Environmental: Phase I

Potential for Transit-Oriented Development: None

History of Development Proposals: The IUDA entered into a 65 year lease with Majestic realty in 1999. As required by the lease the IUDA is responsible for developing the infrastructure for the project. The project has been built out with 4 million square feet of industrial and commercial space.

Staff Recommendation: Staff recommends the property be retained by the Successor Agency to fulfill enforceable obligations until an optimum time to sell is determined.

Exhibit 2

Construction Schedule and Cash Flow Analysis for the development of the Industry Business Center

A. Background

The Department of Finance determined that the 2005 Lease Agreement for the development of the 600 acre parcel of land located on either side of Grand Ave and adjacent to State Route 60 is an enforceable obligation of the Industry Successor Agency in its letter dated February 20, 2013. This property is listed as No. 40 on the Industry Long Range Property Management Plan "LRPMP". The corresponding Recognized Obligation Payment Schedule "ROPS" line items to fulfill the obligation are numbers 192-223. The total outstanding Debt or Obligation is \$172 million. In a letter dated May 17, 2013, the Department of Finance approved the expenditure of \$1,496,000 during the six month period of ROPS 13-14A which began July 1, 2013 and ends December 31, 2013. Finance also approved the funding source to meet these obligations as "other" funds. Both the proceeds from the sale of properties presently owned by the Successor Agency and rental income from Successor Agency property comprise the "other" fund category. The attached cash flow analysis will demonstrate that there is sufficient funds to meet the \$172 million obligation with the use of "other" funds.

In discussions with Finance staff, it was suggested that this cash flow analysis be included and made a part of the LRPMP as an appropriate way for the Oversight Board and Finance to review and approve the accumulation of "other" funds to pay for line items numbers 192-223. In this way, a separate submittal process is not necessary as all Oversight Board actions are automatically forwarded to Finance for approval. Since Finance has previously denied line items numbers 205 and 217, they will reconsider such items upon receipt of 1. a copy of the executed contract(s), 2. verification that the work is identified in the 2005 lease agreement and 3. evidence that sufficient funding is available. Finance also suggested that such contracts and support documentation be appended to future ROPS and referenced in the resolutions adopted by the Oversight Board upon their approval of each ROPS.

B. Assumptions

1. Finance issued a Finding of Completion to the Successor Agency on May 9, 2013 with a requirement that the LRPMP be submitted within 6 months or by November 9, 2013. The cash flow analysis is based upon the LRPMP being approved on or before November 9, 2013.

2. The property values showed in the LRPMP are based upon square foot pricing provided by Keyser Marston with different values for both commercial and industrial uses.

3. The format for the construction schedule and cash flow analysis is based upon the 6 month ROPS schedule which allows for the line item expenditures to be matched against revenue received during each six month period. As described in section C below, assumptions are made on how long it will take to sell the Successor Agency property. The revenues from property sales are only reflected or credited in the cash flow analysis after the estimated period of time has ended. For instance, if the estimate indicates that it will take up to 12 months for a group of properties to be sold, the resulting sale proceeds are credited in the 13th month which then places the revenues in the next 6 month ROPS period.

4. Furthermore, no construction contracts will be executed by the Successor Agency until there is sufficient revenue in the "other" fund account to cover the cost of the entire contract.

C. Disposition of Successor Agency Properties

1. The properties to be sold by the successor agency have been divided into three groups A, B and C (see attachments) based upon the estimated time to complete their sale. Group A includes 22 properties with an estimated value of \$99.11 million. It is anticipated that one half of the properties in group A are expected to be sold within 12 months after approval of the Long Range Property Management Plan by both the Oversight Board and Finance. The second half of group A are expected to be sold within 18 months after approval of the LRPMP. Therefore \$49.55 million is reflected or credited to the analysis in January 2015 which is the start of the ROPS 14-15B period.

2. Group B includes 12 properties and has an estimated value of \$114-\$151 million. The range in estimated value is due to one large 2,450 acre property identified as number 68 in the LRPMP. This property is commonly referred to as the Tres Hermanos Ranch. Keyser Marston has set this property value between \$85 to \$122 million. For the purpose of this cash flow analysis, the lower value of \$85 million is being used. The first half of Group B properties are expected to be sold within 18 months after approval of the LRPMP. The second half of properties in Group B are expected to be sold 24 months after the LRPMP is approved.

3. Group C includes all of the remainder properties with an estimated value of \$12.75 million. Three properties included in group C are subject to long term leases and have been listed without an estimated value. The three properties are the 1. The Walnut Creek Energy Plant (LRPMP no. 29), 2. The 400 acre Grand Crossing Industrial Park (LRPMP no. 41), and 3. The 600 acre Industry Business Center itself. The cash flow analysis does not include revenues from the sale of the above three properties. The remainder properties listed in group C, are expected to sell for \$12.75 million within 30 months after approval of the LRPMP.

D. Conclusion

Exhibit "A" is the construction schedule for what is considered the "Constrained" expenditure of funds whereby no construction contracts will be entered into without first having sufficient funding available to pay for the entire contract amount. Exhibit B is a version of the construction schedule depicting the normal sequence of construction as if all of the monies were available up front.

The "other" fund has an initial balance that is comprised of two amounts. The first is \$7,800,000 from the sale of 300 Baldwin Park Blvd. and the second is \$5,528,242 in existing rental revenues. (see Exhibit "C") This combined total minus the proposed expenditure of \$1,496,000 during the ROPS 13-14A period results in a fund balance of \$11,832,242 on January 1, 2014. This account balance is then available to fund the first of four grading contracts. This first grading contract is for site remedial work to remove loose canyon alluvial materials and is estimated to cost \$6,000,000. The second grading contract is for the area located westerly of Grand Avenue and westerly of the existing overhead transmission power lines with an estimated cost of \$18,687,550. This amount exceeds the available monies in the "other" fund and must wait until the first half of Group A properties are sold which is expected to be completed in January 2015. The third grading contract encompasses the area located adjacent and westerly of Grand Avenue. It is valued at \$31,002,173 and will be initiated after the existing power lines are relocated and sufficient funds are available which is anticipated to occur in January 2015. The fourth grading contract is for the area located easterly of Grand Avenue.

In the event that Successor Agency properties are sold quicker than estimated, the construction schedule can be adjusted accordingly. The construction schedule and cash flow analysis is a "living" document and will be utilized to prepare the subsequent ROPS submittals and updated as construction activities commence.

The staff recommends that the Industry Business Center Construction Schedule and Cost Analysis be approved based upon the "Constrained" plan shown in Exhibit "A".
