First Amended and Restated Long Range Property Management Plan

Successor Agency to the former Porterville Redevelopment Agency

INTRODUCTION

The City of Porterville (City) is located in the south central portion of the San Joaquin Valley, at the base of the foothills of the Sierra Nevada Mountains, in Tulare County. The California Department of Finance (DOF) reports the City population to be 55,490 as of January 1, 2013.

With the discovery of gold in California in 1848, came vast numbers of settlers from across the United States and abroad. This tremendous migration to California rolled through Porterville between 1840 and 1852. In 1854, Peter Goodhue established the Butterfield Overland Mail Stage Station on the banks of the old Tule River Channel. This was the stopping place along the Emigrant Train which is Main Street today. In 1860, Royal Porter Putnam came to work at the station, and assumed command of lodging and trading facilities. He purchased 40 acres of land from Goodhue, surveyed and divided the land into town lots and officially recorded this tract in 1870. Porterville was founded in 1861 and named after Royal Putnam Porter. In 1888, Porterville's first railroad, the Southern Pacific Railway, came to town. This transformed the small town to an agricultural marketing center. The City of Porterville was incorporated in 1902.

Former Redevelopment Agency

The former Porterville Redevelopment Agency (Agency) was created pursuant to § 33000 of the California Health and Safety Code Community Redevelopment Law. The City Council adopted Project Area No. 1 containing approximately 471 acres on July 3, 1990, by Ordinance No. 1436. On July 6, 2004, the City Council adopted Amendment No. 1 which removed 26 acres from the Project Area by Ordinance No. 1655. In August of 2010, an Amendment to Project Area No. 1 was adopted by Ordinance No. 1765. This Amendment added approximately 1,698 acres to the area for a total of 2,143 acres.

Currently, the Project Area is zoned for a variety of land uses. The area includes mostly developed land including, but not limited to, shopping areas, commercial developments, public parking lots, public buildings, and housing.

Dissolution of Porterville Redevelopment Agency

On June 27, 2012, Governor Brown signed into law Assembly Bill 1484 (AB 1484), a budget trailer bill that made substantial changes to the redevelopment agency dissolution process implemented by Assembly Bill 1X26 (AB 1X 26). One of the key components of AB 1484 is the requirement that all successor agencies develop a long range property management plan that governs the disposition and use of the former redevelopment agency's properties. This document is the Long Range Property Management Plan (Plan) for the Successor Agency to the former Porterville Redevelopment Agency (Agency).

This First Amended and Restated Long Range Property Management Plan was prepared in compliance with Health and Safety Code Sections 34191.3 and 34191.5

SUMMARY OF PROPERTIES OWNED BY THE SUCCESSOR AGENCY

There are seven (7) properties owned and controlled by the Agency. Parcel 7 was approved by the Oversight Board and the Department of Finance as an approved expenditure of bond proceeds to acquire, demolish, remediate and release the property for sale. The Agency acquired the property on August 28, 2014. Parcels 1 through 6 were acquired by the former Porterville Redevelopment Agency in an effort to revitalize a portion of the downtown area. These seven (7) properties are subject to the provisions of the Agency's Redevelopment Strategic Plan and the Five-Year Implementation Plan and amendment adopted in 2010. The properties include the following:

- Parcel 1 APN 253-177-008. The property is located at the southeast corner of Garden Avenue and Second Street. The property is zoned DMX (Downtown Mixed-Use) and is 40,777 square feet. It is developed and currently used as a public parking lot.
- Parcel 2 APN 261-123-001. The property is located at the northeast corner of Olive Avenue and Second Street. The property is zoned DR-N (Downtown Retail – North of Olive) and is 23,210 square feet. It is developed and currently used as a public parking lot.

- Parcel 3 APN 253-207-008. The property is located at the northwest corner of Thurman and Second Street. The property is zoned D-PO (Downtown Professional Office) and is 26,400 square feet. It is developed and currently used as a public parking lot.
- Parcel 4 APN 253-131-001. The property is located at the southeast corner of Morton and Fourth Street. The property is zoned D-PO (Downtown Professional Office) and is 29,192 square feet. It is developed and currently used as a public parking lot.
- Parcel 5 APN 252-183-006. The property address is 293 N. Hockett Street. The property is zoned D-PO (Downtown Professional Office) and is 6,050 square feet. It is currently undeveloped vacant land, but utilized as a parking lot for City vehicles.
- Parcel 6 APN 252-183-007. The property address is 287 N. Hockett Street. The property is zoned D-PO (Downtown Professional Office) and is 7,150 square feet. It is developed with a 2,446 square feet office building. The building is vacant.
- Parcel 7 APN 261-122-007. The property address is 14 N. Main Street and is otherwise known as the “Porterville Hotel Project.” The property is zoned DR-N (Downtown Retail – North of Olive) and is 11,000 square feet. The property was a blighted mixed-use project that was deemed uninhabitable in December 2006. There was a catastrophic fire on December 26, 2013, that damaged the structure beyond repair.

The original Long Range Property Management Plan (“Original Plan”) submitted by the Successor Agency to DOF on August 5, 2015, and approved by DOF in August, 2015, provided for the Successor Agency to transfer ownership of Parcels 1 through 4 to the City in order to continue utilizing them as public parking and entering into a Compensation Agreement between the City and taxing entities. Parcels 1 through 4 are encumbered with an Operation Use and Maintenance Covenant for public parking facilities that run with the land. The Original Plan provided that, if legislation was enacted to clarify that Parcels 1 through 4 are eligible to be conveyed to the City as governmental use properties, the Original Plan would be amended to change the designation of such properties to “governmental use” in accordance with such amended law.

SB107 was enacted in September 22, 2015, to clarify that Section 34181(a) of the Health and Safety Code to provide that “parking facilities and lots dedicated solely to public parking” constitute governmental use properties that are properly transferred to the City at no cost, so long as such properties do not generate revenues in excess of reasonable maintenance costs of the properties. Now, in accordance with SB107, including Health and Safety Code Section 34191.3 and 34181(a), the Successor Agency has prepared this First Amended and Restated Long Range Property Management Plan to clarify that Parcels 1 through 4 are Governmental Use properties that will be transferred to the City at no cost.

The remainder of the Original Plan is unchanged by this First Amended and Restated Long Range Property Management Plan: Parcels 5 and 6 are proposed to be transferred to the City for governmental purposes as a parking lot used by City vehicles and as an administrative building utilized for staff respectively. Parcel 7 was acquired on August 28, 2014, in compliance with the expenditure of bond funds as approved by the Oversight Board and Department of Finance. It is proposed to complete demolition, remediate environmental concerns, and sell with the net proceeds to be used to fulfill enforceable obligations.

The former Porterville Redevelopment Agency obtained bond proceeds, by refunding Agency debt in 2008, to acquire and eliminate the blighted development. The property was acquired by the Agency on August 28, 2014, for the amount of \$1,649,705.70. A Broker's Price Opinion estimated the value of the property to be \$198,000, with the assumption the lot is completely cleaned, leveled, and filled to pass compaction tests necessary to comply with state and local building codes. This property was acquired in compliance with the expenditure of bond funds as approved by the Oversight Board and Department of Finance, in order to eliminate the blight. The site is proposed to be demolished, remediated for environmental concerns, and sold with the net proceeds to be used to fulfill an enforceable obligation. At this time, the proposed value and sell date is unknown.

2. Purpose for which the property was acquired (HSC 34191.5(c)(1)(B)).

The property is proposed to be acquired for removal of blight through the demolition and remediation of environmental concerns and the sale of the property for future development, in compliance with the expenditure of bond funds, as approved by the Oversight Board and Department of Finance. In accordance with HSC section 34191.4(c)(2)(B), the net proceeds shall be used to fulfill an enforceable obligation.

AND RESTATED LRPMP

SUCCESSOR AGENCY RESOLUTION NO. 2016-04

A RESOLUTION OF THE SUCCESSOR AGENCY TO THE PORTERVILLE REDEVELOPMENT AGENCY APPROVING THE FIRST AMENDED AND RESTATED LONG RANGE PROPERTY MANAGEMENT PLAN PURSUANT TO HEALTH AND SAFETY CODE SECTIONS 34191.3 AND 34191.5, DETERMINING THAT APPROVAL OF THE LONG RANGE PROPERTY MANAGEMENT PLAN IS EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT AND TAKING CERTAIN ACTIONS IN CONNECTION THEREWITH

WHEREAS, prior to February 1, 2012, the Porterville Redevelopment Agency (herein referred to as the “Former Agency”) was a community redevelopment agency duly organized and existing under the California Community Redevelopment Law (Health and Safety Code Sections 33000 et seq.), and was authorized to transact business and exercise the powers of a redevelopment agency pursuant to action of the City Council (“City Council”) of the City of Porterville (“City”); and

WHEREAS, Assembly Bill x1 26, chaptered and effective on June 27, 2011, added Parts 1.8 and 1.85 to Division 24 of the California Health and Safety Code, which caused the dissolution of all redevelopment agencies and winding down of the affairs of former agencies, including as such laws were amended by Assembly Bill 1484, chaptered and effective on June 27, 2012 (together, the “Dissolution Act”); and

WHEREAS, as of February 1, 2012, the Former Agency was dissolved pursuant to the Dissolution Act and as a separate legal entity the City serves as the Successor Agency to the Porterville Redevelopment Agency (“Successor Agency”); and

WHEREAS, the Successor Agency administers the enforceable obligations of the Former Agency and otherwise unwinds the Former Agency’s affairs, all subject to the review and approval by a seven-member oversight board (“Oversight Board”); and

WHEREAS, pursuant to Health & Safety Code Section 34191.5(b), upon the Successor Agency’s receipt of a “Finding of Completion” from the California Department of Finance pursuant to Health & Safety Code Section 34179.7, the Successor Agency was required to prepare a long range property management plan (“Property Management Plan”) for the Former Agency’s real property assets and submit the approved Property Management Plan to the Oversight Board and the Department of Finance for approval, all within six months of the date of the Finding of Completion; and

WHEREAS, on August 7, 2013, pursuant to Health & Safety Code Section 34179.7, the Successor Agency received a Finding of Completion from the Department of Finance; and

WHEREAS, On February 4, 2014, the Successor Agency approved a Long Range Property Management Plan (the “Original LRPMP”) and adopted Successor Agency Resolution No. 2014-01. On February 7, 2014, the Oversight Board approved the Original LRPMP and adopted Oversight Board Resolution No. 2014-02, and the Plan was subsequently submitted to the California Department of Finance (“DOF”); and

WHEREAS, on July 7, 2015, by its Resolution No. 2015-03, the Successor Agency approved a Revised Long Range Property Management Plan (the "Revised LRPMP") in accordance with changes required by the DOF, which the Revised LRPMP was subsequently approved by the Oversight Board on July 30, 2015, by its Resolution No. 2015-03, and was subsequently submitted to the California Department of Finance ("DOF"); and

WHEREAS, the Original and Revised LRPMP included several properties which have been used as public parking lots. Such public parking properties are referred to herein as the "Public Parking Properties;" and

WHEREAS, at the time the Original and Revised LRPMP were approved, the position of DOF was that public parking lots owned by redevelopment agencies would not be treated as governmental use properties for purposes of provisions of the Dissolution Act which provided that governmental use properties were eligible for transfer from successor agencies to host cities without payment of compensation therefor; and

WHEREAS, subsequent legislation has been enacted in the form of Senate Bill No. 107, Chapter 325, Statutes of 2015 ("SB 107") which provides, at subsections (b) and (c) of Section 34191.3, in pertinent part:

(b) If the department has approved a successor agency's long-range property management plan prior to January 1, 2016, the successor agency may amend its long-range property management plan once, solely to allow for retention of real properties that constitute "parking facilities and lots dedicated solely to public parking" for governmental use pursuant to Section 34181. (ii) Notwithstanding any other law, a city, county, city and county, or parking district shall not be required to reimburse or pay a successor agency for any funds spent on or before December 31, 2010, by a former redevelopment agency to design and construct a parking facility; and

WHEREAS, the Public Parking Properties constitute examples of "parking facilities and lots dedicated solely to public parking;" and

WHEREAS, the Successor Agency desires to avail itself of the authority provided under SB 107 to amend the Original and Revised LRPMP by that certain First Amended and Restated Long Range Property Management Plan in the form submitted herewith as Exhibit "A" (the "Amended LRPMP") under which each of the Public Parking Properties will be accorded treatment as governmental use properties which may be transferred to the City without payment

therefor. The Amended LRPMP addresses the disposition and use of the real properties of the former Agency and includes the information required pursuant to Health and Safety Code Section 34191.5(c) and implements the provisions of SB 107 concerning public parking facilities as described above. Excepting for the modifications to address the treatment of public parking facilities afforded by SB 107, the Amended LRPMP is substantially identical to the Original LRPMP; and

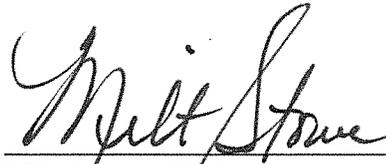

WHEREAS, approval of the Amended LRPMP advances the public health, safety and welfare by facilitating the ongoing availability of public parking facilities within the City; and

WHEREAS, by this Resolution, the Successor Agency desires to approve the Amended LRPMP in the form submitted to the Successor Agency concurrently herewith and to authorize the transmittal of the Amended as the Property Management Plan to the Oversight Board and the Department of Finance for approval, all pursuant to Health & Safety Code Section 34191.5(b).

NOW, THEREFORE, BE IT RESOLVED BY THE SUCCESSOR AGENCY TO THE PORTERVILLE REDEVELOPMENT AGENCY:

- Section 4. This Resolution shall be effective immediately upon adoption.
- Section 5. The Secretary to the Successor Agency shall certify to the adoption of this Resolution.
- Section 6. This Resolution has been reviewed with respect to the applicability of the California Environmental Quality Act (Public Resources Code Section 21000 et seq.) (“CEQA”). Pursuant to the State CEQA Guidelines (14 Cal. Code Regs. 15000 et seq.) (“Guidelines”). The Successor Agency has determined that the approval of the Amended LRPMP is not a “project” pursuant to CEQA and is exempt therefrom because it is an organizational or administrative activity of government that will not result in direct or indirect physical changes in the environment (Guidelines Section 15378(b)(5)). Further, it can be seen with certainty that there is no possibility that approval of the Amended LRPMP may have a significant effect on the environment, and thus the action is exempt from CEQA (Guidelines Section 15061(b)(3)). Staff of the Successor Agency is hereby directed to prepare and post a notice of exemption pursuant to Guidelines Section 15062.

A RESOLUTION OF THE OVERSIGHT BOARD TO THE SUCCESSOR AGENCY TO THE PORTERVILLE REDEVELOPMENT AGENCY APPROVING THE FIRST AMENDED AND RESTATED LONG RANGE PROPERTY MANAGEMENT PLAN PURSUANT TO HEALTH AND SAFETY CODE SECTIONS 34191.3 AND 34191.5, DETERMINING THAT APPROVAL OF THE AMENDED LONG RANGE PROPERTY MANAGEMENT PLAN IS EXEMPT FROM THE CALIFORNIA ENVIRONMENTAL QUALITY ACT, AND TAKING CERTAIN ACTIONS IN CONNECTION THEREWITH

WHEREAS, prior to February 1, 2012, the Porterville Redevelopment Agency (herein referred to as the "Former Agency") was a community redevelopment agency duly organized and existing under the California Community Redevelopment Law (Health and Safety Code Sections 33000 et seq.), and was authorized to transact business and exercise the powers of a redevelopment agency pursuant to action of the City Council ("City Council") of the City of Porterville ("City"); and

WHEREAS, Assembly Bill x1 26, chaptered and effective on June 27, 2011, added Parts 1.8 and 1.85 to Division 24 of the California Health and Safety Code, which caused the dissolution of all redevelopment agencies and winding down of the affairs of former redevelopment agencies (as amended from time to time, the "Dissolution Act"); and

WHEREAS, as of February 1, 2012 the Former Agency was dissolved pursuant to the Dissolution Act and as a separate legal entity the City serves as the Successor Agency to the Porterville Redevelopment Agency ("Successor Agency"); and

WHEREAS, the Successor Agency administers the enforceable obligations of the Former Agency and otherwise unwinds the Former Agency's affairs, all subject to the review and approval by a seven-member oversight board ("Oversight Board"); and

WHEREAS, pursuant to Health & Safety Code Section 34191.5(b), upon the Successor Agency's receipt of a "Finding of Completion" from the California Department of Finance ("DOF") pursuant to Health & Safety Code Section 34179.7, the Successor Agency was required to prepare a long range property management plan ("Property Management Plan") for the Former Agency's real property assets and submit the approved Property Management Plan to the Oversight Board and the DOF for approval, all within six months of the date of the Finding of Completion; and

WHEREAS, on April 26, 2013, pursuant to Health & Safety Code Section 34179.7, the Successor Agency received a Finding of Completion from the DOF; and

WHEREAS, On February 4, 2014, the Successor Agency approved a Long Range Property Management Plan (the "Original LRPMP") and adopted Successor Agency Resolution No. 2014-01. On February 7, 2014, the Oversight Board approved the Original LRPMP and adopted Oversight Board Resolution No. 2014-02, and the Plan was subsequently submitted to the California Department of Finance ("DOF"); and

WHEREAS, on July 7, 2015, by its Resolution No. 2015-03, the Successor Agency approved a Revised Long Range Property Management Plan (the "Revised LRPMP") in accordance with changes required by the DOF, which the Revised LRPMP was subsequently approved by the Oversight Board on July 30, 2015, by its Resolution No. 2015-03, and was subsequently submitted to the California Department of Finance ("DOF"); and

WHEREAS, the Original and Revised LRPMP included several properties which have been used as public parking lots. Such public parking properties are referred to herein as the "Public Parking Properties;" and

WHEREAS, at the time the Original LRPMP was approved, DOF took the position that public parking lots owned by redevelopment agencies would not be treated as governmental use properties for purposes of provisions of the Dissolution Act, which provided that governmental use properties were eligible for transfer from successor agencies to host cities without payment of compensation therefor; and

WHEREAS, subsequent legislation has been enacted in the form of Senate Bill No. 107, Chapter 325, Statutes of 2015 ("SB 107") which provides, at subsections (b) and (c) of Section 34191.3, in pertinent part:

(b) If the department has approved a successor agency's long-range property management plan prior to January 1, 2016, the successor agency may amend its long-range property management plan once, solely to allow for retention of real properties that constitute "parking facilities and lots dedicated solely to public parking" for governmental use pursuant to Section 34181. An amendment to a successor agency's long-range property management plan under this subdivision shall be submitted to its oversight board for review and approval pursuant to Section 34179, and any such amendment shall be submitted to the department prior to July 1, 2016; and

(c) (i) Notwithstanding paragraph (2) of subdivision (a) of Section 34181, for purposes of amending a successor agency's long-range property management plan under subdivision (b), "parking facilities and lots dedicated solely to public parking" do not include properties that, as of the date of transfer pursuant to the amended long-range property management plan, generate revenues in excess of reasonable maintenance costs of the properties; and

(ii) Notwithstanding any other law, a city, county, city and county, or parking district shall not be required to reimburse or pay a successor agency for any funds spent on or before December 31, 2010, by a former redevelopment agency to design and construct a parking facility; and

WHEREAS, the Public Parking Properties constitute examples of "parking facilities and lots dedicated solely to public parking"; and

WHEREAS, the Successor Agency desires to avail itself of the authority provided under SB 107 to amend the Original LRPMP by that certain First Amended and Restated Long Range Property Management Plan in the form submitted herewith as Attachment "A" (the "Amended LRPMP"), under which each of the Public Parking Properties are designated as governmental use properties which may be transferred to the City without payment therefor; and

WHEREAS, the Amended LRPMP addresses the disposition and use of the real properties of the former Agency and includes the information required pursuant to Health and Safety Code Section 34191.5(c) and implements the provisions of SB 107 concerning public parking facilities as described above; and

WHEREAS, excepting for the modifications to address the treatment of public parking facilities afforded by SB 107, the Amended LRPMP is identical in all material respects to the Revised 2014 LRPMP; and

WHEREAS, approval of the Amended LRPMP advances the public health, safety and welfare by facilitating the ongoing availability of public parking facilities within the City; and

WHEREAS, by this Resolution, the Oversight Board desires to approve the Amended LRPMP in the form submitted to the Oversight Board concurrently herewith and to authorize the transmittal of Amended LRPMP to the DOF for approval, all pursuant to Health & Safety Code Section 34191.5(b).

NOW, THEREFORE, BE IT RESOLVED BY THE OVERSIGHT BOARD TO THE SUCCESSOR AGENCY TO THE PORTERVILLE REDEVELOPMENT AGENCY:

- Section 1. The foregoing recitals are true and correct and constitute a substantive part of this Resolution.
- Section 2. Each of the foregoing recitals is supported by substantial evidence.
- Section 3. The Oversight Board hereby approves the Amended LRPMP as the Property Management Plan in the form submitted to the Successor Agency concurrently herewith and authorizes Successor Agency staff to transmit said Amended LRPMP to the DOF for approval.
- Section 4. This Resolution shall be effective immediately upon adoption.
- Section 5. The Secretary to the Oversight Board shall certify to the adoption of this Resolution.
- Section 6. This Resolution has been reviewed with respect to the applicability of the California Environmental Quality Act (Public Resources Code Section 21000 et seq.) (“CEQA”). Pursuant to the State CEQA Guidelines (14 Cal Code Regs 15000 et seq.) (“Guidelines”). The Oversight Board has determined that the approval of the Amended LRPMP is not a “project” pursuant to CEQA and is exempt therefrom because it is an organizational or administrative activity of government that will not result in direct or indirect physical changes in the environment (Guidelines Section 15378(b)(5)). Further, it can be seen with certainty that there is no possibility that approval of the Amended LRPMP may have a significant effect on the environment, and thus the action is exempt from CEQA (Guidelines Section 15061(b)(3)). Staff of the Successor Agency is hereby

directed to prepare and post a notice of exemption pursuant to Guidelines Section 15062.
