

Oversight Board Actions

Question: Health and Safety Code Section 34179 (h) provides, in part, “written notice and information about all actions taken by an Oversight Board (OB) shall be provided to the department by electronic means and in a manner of the department’s choosing.” How should OB resolutions be provided to the Department of Finance?

Answer: Approved and signed OB resolutions must be e-mailed individually (one resolution per e-mail) to Finance via the Redevelopment Administration inbox at RedevelopmentAdministration@dof.ca.gov. OB resolutions must be in PDF format unless otherwise specified (i.e., ROPS forms and related OB resolutions must be submitted via the RAD App). Please ensure the subject line includes the City Name, a clear description of what is being submitted, and what the resolution is approving (i.e., Finance City – OB Resolution 1-101 approving the LRPMP). Once a signed resolution is received in the proper format, Finance may initiate a review of the OB resolution.
