Mr. Jesus Gomez, Assistant City Manager
City of El Monte
11333 Valley Boulevard
El Monte, CA 91731

Dear Mr. Gomez:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of El Monte Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 13-14A) to the California Department of Finance (Finance) on March 1, 2013 for the period of July through December 2013. Finance has completed its review of your ROPS 13-14A, which may have included obtaining clarification for various items.

HSC section 34171 (d) defines enforceable obligations. Based on a sample of line items reviewed and application of the law, the following do not qualify as enforceable obligation(s):

- Item No. 12, 13, 14 and 15 – 2010 Lease Revenue Bond totaling \$27.2 million. It is our understanding the Agency received a general bulletin from the Federal Budget Act stating there may be a potential reduction in funding. However, the Agency did not provide documentation to support this claim. In addition, it is unclear that any reduction would be associated with the subsidy used to make the bond payments. Although the Agency requested \$473,504 for the six month period to be funded with Redevelopment Property Tax Trust Fund (RPTTF), only the Agency's portion in the amount of \$269,284 is eligible for RPTTF funding. Therefore, the Federal subsidy portion in the amount of \$204,220 is not an enforceable obligation and not eligible for RPTTF funding.
- Item No. 58 and 59 – Refunding \$578,000 in Developer deposits with RPTTF is not allowed. It is our understanding the Agency retained these funds as part of the Other Funds and Account Due Diligence Review. Although these items are considered enforceable obligations, these items should be funded with Other funds and not RPTTF. Therefore, \$578,000 is not eligible for RPTTF funding.
- Item No. 62 – Although enforceable, Oversight board special counsel in the amount of \$200,000 is considered a general administrative expense and have been reclassified.

Except for item(s) denied in whole or in part as enforceable obligation(s), Finance is not objecting to the remaining item(s) listed on your ROPS 13-14A. This determination applies only to items where funding was requested for the six month period. If you disagree with the determination with respect to any items on your ROPS 13-14A, you may request a Meet and

Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

http://www.dof.ca.gov/redevelopment/meet_and_confer/

The Agency's maximum approved Redevelopment Property Tax Trust Fund (RPTTF) distribution for the reporting period is \$2,547,733 as summarized below:

Approved RPTTF Distribution Amount	
For the period of July through December 2013	
Total RPTTF funding requested for obligations	\$ 3,552,563
Minus: Six-month total for items denied or reclassified as administrative cost	
Item 12	58,136
Item 13	115,084
Item 14	10,404
Item 15	20,596
Item 58	468,000
Item 59	110,000
Item 62*	20,000
Total approved RPTTF for enforceable obligations	\$ 2,750,343
Plus: Allowable RPTTF distribution for ROPS 13-14A administrative cost	145,000
Minus: ROPS II prior period adjustment	(347,610)
Total RPTTF approved for distribution:	\$ 2,547,733

*Reclassified as administrative cost

Pursuant to HSC Section 34186 (a), successor agencies were required to report on the ROPS 13-14A form the estimated obligations and actual payments (prior period adjustments) associated with the July through December 2012 period. HSC Section 34186 (a) also specifies that the prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. The amount of RPTTF approved in the above table includes the prior period adjustment resulting from the CAC's audit of the Agency's self-reported prior period adjustment.

Please refer to the ROPS 13-14A schedule that was used to calculate the approved RPTTF amount:

[http://www.dof.ca.gov/redevelopment/ROPS/ROPS 13-14A Forms by Successor Agency/](http://www.dof.ca.gov/redevelopment/ROPS/ROPS%2013-14A%20Forms%20by%20Successor%20Agency/).

This is Finance's final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2013. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

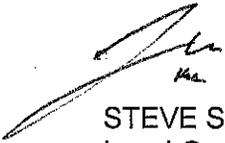

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to enactment of ABx1 26 and AB 1484. This amount is not and never was

an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the successor agency in the RPTTF.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to 34171 (d), HSC section 34191.4 (c)(2)(B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.
