Mr. G. Harold Duffey, Executive Director
City of Compton
205 South Willowbrook Avenue
Compton, CA 90220

Dear Mr. Duffey:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Compton Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 13-14B) to the California Department of Finance (Finance) on October 1, 2013 for the period of January through June 2014. Finance has completed its review of your ROPS 13-14B, which may have included obtaining clarification for various items.

HSC section 34171 (d) defines enforceable obligations. Based on a sample of line items reviewed and application of the law, the following do not qualify as enforceable obligations or are not eligible for funding on this ROPS for the reasons specified:

- Item Nos. 6 – Capital Appreciation Bonds 1995C in the amount of \$68,337,303. Per the bond debt service payment schedule, payments are due beginning in fiscal year ending 2015. Therefore, these items are not eligible for Redevelopment Property Tax Trust Fund (RPTTF) funding on this ROPS.
- Item Nos. 9, 10, 52, 55, and 176 – Project, demolition, and acquisition/site improvement costs totaling \$4,090,000 are not enforceable obligations. Insufficient or no documentation was provided to support the amounts claimed. Therefore, these items are not enforceable obligations and are not eligible for RPTTF or bond funding on this ROPS.
- Item Nos. 51, 53, 54, 129, 151, 152, 167, 170, and 171 – Bond funded projects totaling \$9,175,000 are not enforceable obligations at this time. HSC section 34163 (b) prohibits a redevelopment agency from entering into a contract with any entity after June 27, 2011. It is our understanding that contracts for these line items were awarded after June 27, 2011 or have not been awarded. Pursuant to HSC section 34191.4 (c), your request to use bond funds for these obligations may be allowable once the Agency receives a Finding of Completion from Finance.
- Item No. 133 – Project Management Assistance in the amount of \$25,000 funded with reserve balance is not an enforceable obligation. It is our understanding the contract for this line item was awarded after June 27, 2011. HSC section 34163 (b) prohibits a

redevelopment agency from entering into a contract with any entity after June 27, 2011. Therefore, this item is not an enforceable obligation and not eligible for reserve funding on this ROPS.

- Claimed administrative costs exceed the allowance by \$364,306. HSC section 34171 (b) limits fiscal year 2013-2014 administrative expenses to three percent of property tax allocated to the successor agency or \$250,000, whichever is greater. As a result, the Agency is eligible for \$444,544 in administrative expenses. The Los Angeles Auditor-Controller's Office distributed \$250,000 administrative costs for the July through December 13-14A period, thus leaving a balance of \$194,544 available for the January through June 13-14B period. Although \$483,850 is claimed for administrative cost, Item Nos. 50 and 120 for legal and management costs totaling \$75,000 is considered an administrative expense and should be counted toward the cap. Therefore, \$364,306 of excess administrative cost is not allowed.

Pursuant to HSC Section 34186 (a), successor agencies were required to report on the ROPS 13-14B form the estimated obligations and actual payments (prior period adjustments) associated with the January through June 2013 period. HSC Section 34186 (a) also specifies that the prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. The amount of RPTTF approved in the below table includes the prior period adjustment resulting from the CAC's audit of the Agency's self-reported prior period adjustment.

Except for items denied in whole or in part as enforceable obligations, Finance is not objecting to the remaining items listed on your ROPS 13-14B. If you disagree with the determination with respect to any items on your ROPS 13-14B, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

Pursuant to HSC section 34177 (l) (1) (E), agencies are required to use all available funding sources prior to RPTTF for payment of enforceable obligations. Beginning with the ROPS 13-14B period, Finance required successor agencies to identify fund balances for various types of funds in its possession. During our ROPS 13-14B review, Finance requested financial records to support the fund balances reported by the Agency; however, Finance was unable to reconcile the financial records to the amounts reported. As a result, Finance will continue to work with the Agency after the ROPS 13-14B review period to properly identify the Agency's fund balances. If it is determined the Agency possesses fund balances that are available to pay approved obligations, the Agency should request the use of these fund balances prior to requesting RPTTF in ROPS 14-15A.

Please refer to the ROPS 13-14B schedule that was used to calculate the approved RPTTF amount:

[http://www.dof.ca.gov/redevelopment/ROPS/ROPS 13-14B Forms by Successor Agency/](http://www.dof.ca.gov/redevelopment/ROPS/ROPS_13-14B_Forms_by_Successor_Agency/).

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for January 1 through June 30, 2014. This determination applies only to items where funding was requested for the six month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the successor agency in the RPTTF.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c)(2)(B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

Sincerely,

JUSTYN HOWARD
Assistant Program Budget Manager
