Dear Ms. Helvey:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Gridley Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 13-14B) to the California Department of Finance (Finance) on October 01, 2013 for the period of January through June 2014. Finance has completed its review of your ROPS 13-14B, which may have included obtaining clarification for various items.

Based on our review, we are approving all of the items listed on your ROPS 13-14B at this time.

Based upon a review of the Agency's Prior Period Adjustment form, Finance made the following adjustment to ensure consistency with the funding sources and amounts approved by Finance. HSC Section 34177 (a) (3) states that the Agency can only make payments listed on the ROPS, from the funds listed and authorized by Finance.

- Item Nos. 1-6 Total Authorized Non-Admin RPTTF and Admin RPTTF amounts should be \$235,370 and \$9,730, respectively. This adjustment resulted in a revised prior period adjustment of \$45,000.

Pursuant to HSC Section 34186 (a), successor agencies were required to report the estimated obligations and actual payments (prior period adjustments) associated with the January through June 2013 period. The amount of RPTTF approved in the table below includes the prior period adjustment that was revised by Finance. HSC Section 34186 (a) also specifies that the prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. Any proposed CAC adjustments were not received in time for inclusion in this letter. Therefore, the amount of RPTTF approved in the table below includes only the prior period adjustment that was self-reported by the Agency and the adjustments made by Finance.

The Agency's maximum approved RPTTF distribution for the reporting period is \$175,306 as summarized below:

Approved RPTTF Distribution Amount	
For the period of January through June 2014	
Total RPTTF requested for non-administrative obligations	190,276
Total RPTTF requested for administrative obligations	30,030
Total Requested RPTTF	\$ 220,306
Total RPTTF approved for non-administrative obligations	190,276
Total RPTTF approved for administrative obligations	30,030
Total RPTTF approved for obligations	\$ 220,306
ROPS III prior period adjustment	(45,000)
Total RPTTF approved for distribution	\$ 175,306

Please refer to the ROPS 13-14B schedule that was used to calculate the approved RPTTF amount:

This is Finance's final determination related to the enforceable obligations reported on your ROPS for January 1 through June 30, 2014. This determination applies only to items where funding was requested for the six month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the successor agency in the RPTTF.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c)(2)(B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.
