Dear Ms. Will:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Paradise Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 13-14B) to the California Department of Finance (Finance) on September 30, 2013 for the period of January through June 2014. Finance has completed its review of your ROPS 13-14B, which may have included obtaining clarification for various items.

HSC section 34171 (d) defines enforceable obligations. Based on a sample of line items reviewed and application of the law, the following does not qualify as an enforceable obligation for the reasons specified:

- Item No. 4 – Town loan repayment in the amount of \$78,125 is not allowed at this time. The Agency received a Finding of Completion on April 26, 2013. As such, the Agency may place loan agreements between the former redevelopment agency and sponsoring entity on the ROPS, as an enforceable obligation, provided the oversight board makes a finding that the loan was for legitimate redevelopment purposes per HSC section 34191.4 (b) (1). However, HSC section 34176 (e) (6) (B) specifies loan or deferral repayments shall not be made prior to fiscal year 2013-14. While ROPS 13-14B falls within fiscal year 2013-14, the repayment of these City loans is subject to the repayment formula outlined in HSC section 34191.4 (b) (2) (A).

HSC section 34191.4 (b) (2) (A) allows maximum repayment amount in each fiscal year to be equal to one-half of the increase between the ROPS residual amounts distributed to the taxing entities in that fiscal year and the ROPS residual amounts distributed to the taxing entities in the 2012-13 base year. Since the formula does not allow for estimates, the Agency must wait until the ROPS residual pass-through distributions are known for fiscal year 2013-14 before requesting funding for this obligation. Therefore, this item is not eligible for funding at this time.

Pursuant to HSC Section 34186 (a), successor agencies were required to report the estimated obligations and actual payments (prior period adjustments) associated with the January through June 2013 period. The amount of RPTTF approved in the table below includes the prior period adjustment that was self-reported by the Agency. HSC Section 34186 (a) also specifies that the

prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. Any proposed CAC adjustments were not received in time for inclusion in this letter. Therefore, the amount of RPTTF approved in the table below includes only the prior period adjustment that was self-reported by the Agency.

Except for the item denied in whole as an enforceable obligation, Finance is not objecting to the remaining items listed on your ROPS 13-14B. If you disagree with the determination with respect to any items on your ROPS 13-14B, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

http://www.dof.ca.gov/redevelopment/meet_and_confer/

The Agency's maximum approved RPTTF distribution for the reporting period is \$187,966 as summarized below:

Approved RPTTF Distribution Amount For the period of January through June 2014	
Total RPTTF requested for non-administrative obligations	173,866

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for January 1 through June 30, 2014. This determination applies only to items where funding was requested for the six month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the

ROPS with property tax is limited to the amount of funding available to the successor agency in the RPTTF.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c)(2)(B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.
