Dear Ms. Helms:

Subject: Recognized Obligation Payment Schedule

This letter supersedes the California Department of Finance's (Finance) Recognized Obligation Payment Schedule (ROPS) letter dated April 14, 2014. Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Murrieta Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 14-15A) to Finance on February 28, 2014, for the period of July through December 2014. Finance issued a ROPS determination letter on April 14, 2014. Subsequently, the Agency requested a Meet and Confer session on one or more of the items denied by Finance. The Meet and Confer session was scheduled for May 5, 2014.

Based on a review of additional information and documentation provided to Finance during the Meet and Confer process, Finance has completed its review of the specific item being disputed.

- Item No. 41 – Housing administrative costs totaling \$75,000 payable from Redevelopment Property Tax Trust Fund funding. Finance continues to deny this item. Finance denied this item because pursuant to HSC section 34171 (p), the housing entity administrative cost allowance is applicable only in cases where the city, county, or city and county that authorized the creation of the redevelopment agency (RDA) elected to not assume the housing functions. Because the housing entity to the former redevelopment agency of the City of Murrieta (City) is the City-formed Housing Authority (Authority) and the Authority operates under the control of the City, the Authority is considered the City under Dissolution Law (ABx1 26 and AB 1484).

Pursuant to HSC section 34167.10 (a), the definition of "city" includes, but is not limited to, any reporting entity of the city for purposes of its comprehensive annual financial report (CAFR), any component unit of the city, or any entity controlled by the city or for which the city is financially responsible or accountable. HSC section 34167.10 (a) defines "city" for purposes of all of Dissolution Law, which includes HSC section 34171, as amended by AB 471, and HSC section 34176. The Authority is included in the City's CAFR, which states that the City elected to create the Authority. As such, the Authority considered to be controlled by the City because the City was involved in the formation of the Authority, which is a factors to be considered when determining if an entity is controlled by the city pursuant to HSC section 34167.10 (b).

Although the Authority is a separate legal entity from the City, HSC section 34167.10 (c) states that it shall not be relevant that the entity is formed as a separate legal entity. It should also be noted that HSC section 34167.10 (c) goes on to state that “the provisions of this section are declarative of existing law as the entities described herein are and were intended to be included within the requirements of this part [Part 1.8] and Part 1.85...and any attempt to determine otherwise would thwart the intent of these two parts.” Therefore, based on our review, the City, by way of the Authority, elected to retain the housing functions pursuant to HSC section 34176 (a) and is not eligible for \$75,000 of housing entity administrative allowance.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 14-15A form the estimated obligations and actual payments (prior period adjustments) associated with the July through December 2013 period. HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. The amount of Redevelopment Property Tax Trust Fund (RPTTF) approved in the table below includes the prior period adjustment resulting from the CAC’s audit of the Agency’s self-reported prior period adjustment.

Except for the item denied in whole or in part as enforceable obligation, Finance is not objecting to the remaining items listed on your ROPS 14-15A. The Agency’s maximum approved RPTTF distribution for the reporting period is \$2,463,487 as summarized below:

Approved RPTTF Distribution For the period of July through December 2014	
Total RPTTF requested for non-administrative obligations	2,347,161

This is Finance’s final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2014. This determination only applies to items where funding was requested for the six-month period. Finance’s determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed

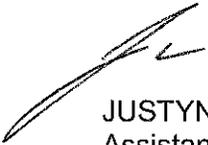

on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the successor agency in the RPTTF.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

Sincerely,

JUSTYN HOWARD
