Mr. Ryan Cornell, Accounting Supervisor  
City of Arroyo Grande

Arroyo Grande, CA 93420

Dear Mr. Cornell:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Arroyo Grande Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 14-15B) to the California Department of Finance (Finance) on September 29, 2014 for the period of January 1 through June 30, 2015. Finance has completed its review of your ROPS 14-15B, which may have included obtaining clarification for various items.

Based on a sample of line items reviewed and application of the law, Finance made the following determination:

Item No. 9 – City loan repayment in the amount of \$80,291 is not allowed. According to the County Auditor-Controller's (CAC) report, the ROPS residual pass-through amount distributed to the taxing entities for fiscal year 2012-13 and 2013-14 are \$83,443 and \$244,025, respectively. Pursuant to the repayment formula outlined in HSC section 34191.4 (b) (2) (A), the maximum amount authorized for fiscal year 2014-15 is \$80,291. The Agency received this amount during the period of July through December 2014 (ROPS 14-15A). Therefore, \$80,291 of excess loan repayment is not eligible for funding on this ROPS. The Agency may be eligible for additional funding beginning ROPS 15-16A.

The administrative costs claimed are within the fiscal year administrative cap pursuant to HSC section 34171 (b). However, Finance notes the oversight board has approved an amount that appears excessive, given the number and nature of the obligations listed on the ROPS. HSC section 34179 (i) requires the oversight board to exercise a fiduciary duty to the taxing entities. Therefore, Finance encourages the oversight board to apply adequate oversight when evaluating the administrative resources required to successfully wind-down the Agency.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 14-15B form the estimated obligations and actual payments (prior period adjustments) associated with the January through June 2014 period. The amount of Redevelopment Property Tax Trust Fund (RPTTF) approved in the table below reflects the prior period adjustment self-reported by the Agency. HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by the CAC and the State

Controller. Proposed CAC adjustments were not received in time for inclusion in this letter; therefore, the amount of RPTTF approved in the table below only reflects the prior period adjustment self-reported by the Agency.

Except for the item denied in whole, Finance is not objecting to the remaining items listed on your ROPS 14-15B. If you disagree with the determination with respect to any items on your ROPS 14-15B, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

[http://www.dof.ca.gov/redevelopment/meet\\_and\\_confer/](http://www.dof.ca.gov/redevelopment/meet_and_confer/)

The Agency's maximum approved RPTTF distribution for the reporting period is \$290,933 as summarized in the Approved RPTTF Distribution Table below:

Total RPTTF requested for non-administrative obligations	246,265

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for January 1 through June 30, 2015. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to the enactment of ABx1 26 and AB 1484. This amount is not and never

was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the agency in the RPTTF.

Pursuant to HSC section 34177 (a) (3), only those payments listed on an approved ROPS may be made by the successor agency from the funds specified in the ROPS. However, if for whatever reason the Agency needs to make payments for approved obligations from another funding source, HSC section 34177 (a) (4) requires the Agency to first obtain oversight board approval.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

JUSTYN HOWARD
