Ms. Mette Richardson, Finance Director  
City of Grass Valley  
125 East Main Street  
Grass Valley, CA 95945

Dear Ms. Richardson:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Grass Valley Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 14-15B) to the California Department of Finance (Finance) on October 3, 2014 for the period of January 1 through June 30, 2015. Finance has completed its review of your ROPS 14-15B, which may have included obtaining clarification for various items.

Based on a sample of line items reviewed and application of the law, Finance made the following determinations:

- Claimed administrative costs exceed the allowance by \$30,000. HSC section 34171 (b) limits the fiscal year 2014-2015 administrative expenses to three percent of property tax allocated to the Agency or \$250,000, whichever is greater. The Nevada Auditor-Controller's Office distributed \$125,000 for the July through December 2014 period, thus leaving a balance of \$125,000 available for the January through June 2015 period (only for ROPS B series). Although \$155,000 is claimed for administrative cost, only \$125,000 is available pursuant to the cap. Therefore, \$30,000 of excess administrative cost is not allowed for Redevelopment Property Tax Trust Fund (RPTTF).

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 14-15B form the estimated obligations and actual payments (prior period adjustments) associated with the January through June 2014 period. The amount of RPTTF approved in the table below reflects the prior period adjustment self-reported by the Agency. HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by CAC and the State Controller. Proposed CAC adjustments were not received in time for inclusion in this letter; therefore, the amount of RPTTF approved in the table below only reflects the prior period adjustment self-reported by the Agency and adjusted by Finance as follows:

During Finance's review of the prior period adjustments Finance adjusted the Agency's Available Admin RPTTF from \$73,424 to \$208,813. Based on our review of the county auditor-controller (CAC) distribution reports, the Agency received full Admin RPTTF during the January

through June 2014 period. After increasing the amount to \$208,813 the Agency's prior period adjustment increased by \$120,266 from \$123,954 to \$244,220.

Except for the items denied in whole or in part, Finance is not objecting to the remaining items listed on your ROPS 14-15B. If you disagree with the determination with respect to any items on your ROPS 14-15B, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for January 1 through June 30, 2015. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to the enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the agency in the RPTTF.

Pursuant to HSC section 34177 (a) (3), only those payments listed on an approved ROPS may be made by the successor agency from the funds specified in the ROPS. However, if for whatever reason the Agency needs to make payments for approved obligations from another funding source, HSC section 34177 (a) (4) requires the Agency to first obtain oversight board approval.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

Please direct inquiries to Beliz Chappuie, Supervisor or Todd Vermillion, Lead Analyst at (916) 445-1546.

Sincerely,

JUSTYN HOWARD  
Acting Program Budget Manager
