Mr. Jim Steele, Finance Director  
City of South San Francisco  
P.O. Box 711  
South San Francisco, CA 94083

Dear Mr. Steele:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of South San Francisco Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 14-15B) to the California Department of Finance (Finance) on October 1, 2014 for the period of January 1 through June 30, 2015. Finance has completed its review of your ROPS 14-15B, which may have included obtaining clarification for various items.

Based on a sample of line items reviewed and application of the law, Finance made the following determinations:

- Item No. 49 – Property disposition costs in the amount of \$300,000 is denied. This funding request appears excessive since similar disposition activities for the same requested amounts were approved and have received Redevelopment Property Tax Trust Funds (RPTTF) funding on ROPS 14-15A. Therefore, this item is not an enforceable obligation at this time and not eligible for RPTTF funding for the ROPS 14-15B period.
- Claimed administrative costs exceed the allowance by \$9,000. HSC section 34171 (b) limits the fiscal year 2014-15 administrative expenses to three percent of property tax allocated to the Agency or \$250,000, whichever is greater. The San Mateo County Auditor-Controller's (CAC) Office distributed RPTTF in the amount of \$171,868 for the July through December 2014 (ROPS 14-15A) administrative costs, thus leaving a balance of \$106,210 available for the January through June 2015 period. Although \$115,210 is claimed for administrative cost, only \$106,210 is available pursuant to the cap. Therefore, \$9,000 of excess administrative cost is not allowed.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 14-15B form the estimated obligations and actual payments (prior period adjustments) associated with the January through June 2014 period. HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by the CAC and the State Controller. The amount of RPTTF approved in the table below includes the prior period adjustment resulting from the CAC's review of the Agency's self-reported prior period adjustment.

The Agency's maximum approved RPTTF distribution for the reporting period is \$2,948,843 as summarized in the Approved RPTTF Distribution Table below:

Pursuant to HSC section 34177 (l) (1) (E), agencies are required to use all available funding sources prior to RPTTF for payment of enforceable obligations. During the ROPS 14-15B review, Finance requested financial records to support the cash balances reported by the Agency. The Agency was able to support the amounts reported with the exception of the Reserve Balance. Finance will continue to work with the Agency after the ROPS 14-15B review period to resolve any remaining issues as described above. If it is determined the Agency possesses additional cash balances that are available to pay approved obligations, the Agency should request the use of these cash balances prior to requesting RPTTF in ROPS 15-16A.

Please refer to the ROPS 14-15B schedule that was used to calculate the approved RPTTF amount:

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for January 1 through June 30, 2015. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for

future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

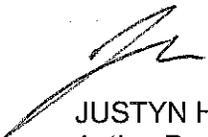

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to the enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the agency in the RPTTF.

Pursuant to HSC section 34177 (a) (3), only those payments listed on an approved ROPS may be made by the successor agency from the funds specified in the ROPS. However, if for whatever reason the Agency needs to make payments for approved obligations from another funding source, HSC section 34177 (a) (4) requires the Agency to first obtain oversight board approval.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

Sincerely,

JUSTYN HOWARD  
Acting Program Budget Manager
