Ms. Victoria L. Beatley, Director of Finance/City Treasurer
City of Seal Beach
211 8th Street
Seal Beach, CA 90740-6379

Dear Ms. Beatley:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the City of Seal Beach Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 15-16A) to the California Department of Finance (Finance) on February 27, 2015 for the period of July 1 through December 31, 2015. Finance has completed its review of your ROPS 15-16A, which may have included obtaining clarification for various items.

Based on our review, we are approving all of the items listed on your ROPS 15-16A at this time.

During our review, which may have included obtaining financial records, Finance determined the Agency possesses funds that should be used prior to requesting Redevelopment Property Tax Trust Funds (RPTTF). Pursuant to HSC section 34177 (l) (1) (E), RPTTF may be used as a funding source, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation. The Agency provided financial records that displayed available Other Funds totaling \$333.

Therefore, with the Agency's concurrence, the funding source for the following item has been reclassified to Other Funds and in the amount specified below:

Item No. 1 – 2000 Tax Allocation Bond A in the amount of \$3,425,000. The Agency requests \$584,288 of RPTTF; however, Finance is reclassifying \$333 to Other Funds. This item is an enforceable obligation for the ROPS 15-16A period. However, the obligation does not require payment from property tax revenues and the Agency has \$333 in available Other Funds. Therefore, Finance is approving RPTTF in the amount of \$583,955 and the use of Other Funds in the amount of \$333, totaling \$584,288.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 15-16A form the estimated obligations and actual payments (prior period adjustments) associated with the July through December 2014 period. HSC section 34186 (a) also specifies prior period adjustments self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. The amount of RPTTF approved in the table below includes the prior period adjustment resulting from the CAC's review of the Agency's self-reported prior period adjustment.

Except for the item that has been reclassified, Finance is not objecting to the remaining items listed on your ROPS 15-16A. If you disagree with the determination with respect to any items on your ROPS 15-16A, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

http://www.dof.ca.gov/redevelopment/meet_and_confer/

The Agency's maximum approved RPTTF distribution for the reporting period is \$998,063 as summarized in the Approved RPTTF Distribution table below:

Approved RPTTF Distribution For the period of July through December 2015	
Total RPTTF requested for non-administrative obligations	958,262

Pursuant to HSC section 34177 (l) (1) (E), agencies are required to use all available funding sources prior to RPTTF for payment of enforceable obligations. During the ROPS 15-16A review, Finance requested financial records to support the cash balances reported by the Agency; however, the Agency was unable to support the amounts reported. The beginning balances for Other Funds and RPTTF could not be supported by the Agency's financial records. As a result, Finance will continue to work with the Agency after the ROPS 15-16A review period to properly identify the Agency's cash balances. If it is determined the Agency possesses cash balances that are available to pay approved obligations, the Agency should request the use of these cash balances prior to requesting RPTTF in ROPS 15-16B.

Pursuant to HSC section 34177 (l) (1) (E), agencies are required to use all available funding sources prior to RPTTF for payment of enforceable obligations. During the ROPS 15-16A review, Finance requested financial records to support the cash balances reported by the Agency; however, the Agency was unable to support the amounts reported. The beginning balances for Other Funds and RPTTF could not be supported by the Agency's financial records.

Therefore, as noted above, Finance has reclassified the available cash balances that were supported by the Agency's records. Finance will continue to work with the Agency after the ROPS 15-16A review period to resolve any remaining issues as described above. If it is determined the Agency possesses additional cash balances that are available to pay approved obligations, the Agency should request the use of these cash balances prior to requesting RPTTF in ROPS 15-16B.

Please refer to the ROPS 15-16A schedule that was used to calculate the approved RPTTF amount:

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2015. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to the enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the agency in the RPTTF.

Pursuant to HSC section 34177 (a) (3), only those payments listed on an approved ROPS may be made by the successor agency from the funds specified in the ROPS. However, if the Agency needs to make payments for approved obligations from another funding source, HSC section 34177 (a) (4) requires the Agency to first obtain oversight board approval.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

Sincerely,

JUSTYN HOWARD
Program Budget Manager
