Dear Mr. Powers:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m), the Yuba County Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule (ROPS 15-16A) to the California Department of Finance (Finance) on February 20, 2015 for the period of July 1 through December 31, 2015. Finance has completed its review of your ROPS 15-16A, which may have included obtaining clarification for various items.

Based on our review, we are approving all of the items listed on your ROPS 15-16A at this time.

During our review, which may have included obtaining financial records, Finance determined the Agency possesses funds that should be used prior to requesting Redevelopment Property Tax Trust Fund (RPTTF). Pursuant to HSC section 34177 (l) (1) (E), RPTTF may be used as a funding source, but only to the extent no other funding source is available or when payment from property tax revenues is required by an enforceable obligation. The Agency's prior period adjustment (PPA) from the ROPS 13-14B period exceeded authorized expenditures for the ROPS 14-15B period, resulting in an excess PPA of \$31,100.

Therefore, the funding source for the following item has been reclassified to Reserve Balances, and in the amount specified below:

Item No. 1 – Olivehurst Avenue Storm Drain Project, County Loan, in the amount of \$31,100. The Agency requests \$33,400 of RPTTF; however, Finance is reclassifying \$31,100 to Reserve Balances. This item is an enforceable obligation for the ROPS 15-16A period. However, the obligation does not require payment from property tax revenues and the Agency has \$31,100 in available Reserve Balances as a result of Excess PPA from the ROPS 13-14B period. Therefore, Finance is approving RPTTF in the amount of \$2,300 and the use of Reserve Balances in the amount of \$31,100, totaling \$34,400.

Pursuant to HSC section 34186 (a), successor agencies were required to report on the ROPS 15-16A form the estimated obligations and actual payments (PPAs) associated with the July through December 2014 period. HSC section 34186 (a) also specifies PPAs self-reported by successor agencies are subject to audit by the county auditor-controller (CAC) and the State Controller. Proposed CAC adjustments were not received in time for inclusion in this letter; therefore, the amount of Redevelopment Property Tax Trust Fund (RPTTF) approved in the table below only reflects the PPA self-reported by the Agency, and further adjusted by Finance. Finance determined an adjustment was necessary to appropriately account for RPTTF distributions and actual expenditures.

Except for the item that have been reclassified, Finance is not objecting to the remaining items listed on your ROPS 15-16A. If you disagree with the determination with respect to any items on your ROPS 15-16A, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

http://www.dof.ca.gov/redevelopment/meet_and_confer/

The Agency's maximum approved RPTTF distribution for the reporting period is \$3,300 as summarized in the Approved RPTTF Distribution table below:

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for July 1 through December 31, 2015. This determination only applies to items where funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future periods. All items listed on a future ROPS are subject to a subsequent review and may

be denied even if it was or was not denied on this ROPS or a preceding ROPS. The only exception is for those items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of items that have received a Final and Conclusive determination is limited to confirming the scheduled payments as required by the obligation.

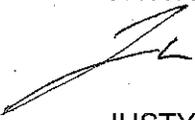

The amount available from the RPTTF is the same as the amount of property tax increment that was available prior to the enactment of ABx1 26 and AB 1484. This amount is not and never was an unlimited funding source. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the agency in the RPTTF.

Pursuant to HSC section 34177 (a) (3), only those payments listed on an approved ROPS may be made by the successor agency from the funds specified in the ROPS. However, if the Agency needs to make payments for approved obligations from another funding source, HSC section 34177 (a) (4) requires the Agency to first obtain oversight board approval.

To the extent proceeds from bonds issued after December 31, 2010 exist and are not encumbered by an enforceable obligation pursuant to HSC section 34171 (d), HSC section 34191.4 (c) (2) (B) requires these proceeds be used to defease the bonds or to purchase those same outstanding bonds on the open market for cancellation.

Sincerely,

JUSTYN HOWARD
