Ms. Laura Gutierrez, Finance Director
City of Imperial
420 South Imperial Avenue
Imperial, CA 92251

Dear Ms. Gutierrez:

Subject: Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34177 (m) (1) (A), the City of Imperial Successor Agency (Agency) submitted a Recognized Obligation Payment Schedule for the period January 1 through June 30, 2016 (ROPS 15-16B) to the California Department of Finance (Finance) on October 5, 2015. Finance has completed its review of the ROPS 15-16B.

Based on a sample of line items reviewed and application of the law, Finance made the following determinations:

- Item No. 1 – Finance is approving the Agency's request to increase requested amount from \$546,838 to \$552,639, resulting in an increase of \$5,801 in Redevelopment Property Tax Trust Fund (RPTTF) funding.
- Item No. 23 – Business Assistance program in the amount of \$106,900 in Bond Proceeds funding is not allowed. Finance issued a Finding of Completion on May 11, 2015, and the Agency can now utilize proceeds derived from bonds issued prior to January 1, 2011 in a manner consistent with the original bond covenants. However, the Agency did not provide documents to support requested amount. To the extent the Agency can provide documentation to support the six-month estimated expenditures, the item may be eligible for funding in future ROPS.

Pursuant to HSC section 34186 (a) (1), the Agency was required to report on the ROPS 15-16B form the estimated obligations versus actual payments (prior period adjustment) associated with the January through June 2015 period (ROPS 14-15B). HSC section 34186 (a) (1) also specifies the prior period adjustment self-reported by the Agency is subject to review by the county auditor-controller (CAC). Proposed CAC adjustments were not received in time for inclusion in this letter; therefore, the amount of RPTTF approved in the table below includes the prior period adjustment resulting from Finance's review of the Agency's self-reported prior period adjustment (PPA). Finance made adjustments to the PPA form to correct Agency reported amounts for RPTTF as follows:

The Agency's self-reported PPA for the ROPS 14-15B was incorrectly reported in its entirety. Adjustments were made to correctly reflect the Authorized amounts, Available

amounts, and Actual expenditures. Finance Staff worked with the Agency during the review resulting in a PPA to be applied to the ROPS 15-16B RPTTF distribution of \$384,818.

Except for the item denied in whole or in part, Finance is not objecting to the remaining items listed on your ROPS 15-16B. If you disagree with Finance's determination with respect to any items on your ROPS 15-16B, except for those items which are the subject of litigation disputing Finance's previous or related determinations, you may request a Meet and Confer within five business days of the date of this letter. The Meet and Confer process and guidelines are available at Finance's website below:

http://www.dof.ca.gov/redevelopment/meet_and_confer/

The Agency's maximum approved RPTTF distribution for the reporting period is \$294,821 as summarized in the Approved RPTTF Distribution table below:

Total RPTTF requested for non-administrative obligations	548,838

On the ROPS 15-16B form, the Agency reported cash balances and activity for the period January 1 through December 31, 2015. Finance will perform a review of the Agency's self-reported cash balances on an ongoing basis. Please be prepared to submit financial records and bridging documents to support the cash balances reported upon request. If it is determined the Agency possesses cash balances that are available to pay approved obligations, HSC section 34177 (l) (1) (E) requires these balances be used prior to requesting RPTTF.

Please refer to the ROPS 15-16B schedule used to calculate the total RPTTF approved for distribution:

Absent a Meet and Confer, this is Finance's final determination related to the enforceable obligations reported on your ROPS for January 1 through June 30, 2016. This determination

only applies to items when funding was requested for the six-month period. Finance's determination is effective for this time period only and should not be conclusively relied upon for future ROPS periods. All items listed on a future ROPS are subject to review and may be denied even if it was not denied on this ROPS or a preceding ROPS. The only exception is for items that have received a Final and Conclusive determination from Finance pursuant to HSC section 34177.5 (i). Finance's review of Final and Conclusive items is limited to confirming the scheduled payments as required by the obligation.

The amount available from the RPTTF is the same as the amount of property tax increment available prior to the enactment of the redevelopment dissolution statutes. Therefore, as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available to the Agency in the RPTTF.

Sincerely,

JUSTYN HOWARD
