Tim Przybyla, Finance Director
City of Kerman
850 S. Madera Avenue
Kerman, CA 93630

Dear Mr. Przybyla:

Subject: Recognized Obligation Payment Schedule Approval Letter

Pursuant to Health and Safety Code (HSC) section 34177 (l) (2) (C), the City of Kerman Successor Agency was required to submit a Recognized Obligation Payment Schedule (ROPS) that has been approved by your oversight board to the California Department of Finance (Finance). Our records indicate that Finance has not received the ROPS for the July to December 2012 ROPS period to date.

Since all distributions from the Redevelopment Property Tax Trust Fund (RPTTF) are required by law to be made on June 1, 2012 covering obligations for July 2012 through December 2012, as well as adjusting for property tax funding needs for the January 2012 through June 2012 period, there is no basis on which your agency can receive property tax revenue for that period. The law also provides that after July 1, 2012, no payments can be made without an approved ROPS. Therefore we urge you to adopt a ROPS as soon as possible to allow spending of existing reserves and other revenues available to you.

January to June 2012 Review Results

Based on our review, we are approving all of the items listed on your January to June 2012 ROPS at this time.

Sincerely,

MARK HILL
Program Budget Manager
