State Appropriations Limit

Always Excluded – The major revenues source is transferred from another fund, which has already been counted in an included fund, Local Revenue Fund (0330), and should not be double counted.

Comments/Historical Information

Chapter 89, Statutes of 1991 created this fund.

The Base Restoration Subaccount, the Indigent Health Equity Subaccount, the Community Health Equity Subaccount, the Mental Health Equity Subaccount, the State Hospital Mental Health Equity Subaccount, and the Special Equity Subaccount are no longer receiving allocations. Welfare and Institutions Code, Section 17600 specifies that these accounts would receive growth funds until a specific subaccount cumulative threshold was reached. Each of these subaccounts have met their threshold and these amounts have become part of the ongoing 1991-92 realignment base.

The Special Equity Subaccount (0363) was abolished per Government Code Section 13306(b) effective October 22, 2010.
