## Purpose

This legislation requires the Division of Occupational Safety and Health to develop specific requirements for hands-on, task-specific training programs. It also requires the Division to approve training entities to conduct hands-on, task-specific training programs for employers that meet the requirements for craft employees who may be exposed to asbestos-containing construction materials. The Division of Occupational Safety and Health will charge fees, sufficient to cover the cost of the approval process, to the training entities approved. These fees will be deposited in the Asbestos Training Approval Account within the Asbestos Training and Consultant Certification Fund.

## Administering Agency/Organization Code

Department of Industrial Relations/Org 7350

## Major Revenue Source

Fees charged to training entities approved by the Division that teach safe and proper methods for handling and removing asbestos.

## Disposition of Fund (upon abolishment)

Any money remaining in this fund upon abolishment of this fund will be transferred to the Asbestos Consultant Certification Account, 0368.

## Appropriation Authority

Available upon appropriation by the Legislature.

## State Appropriations Limit

**Excluded** – Revenues in this fund are not proceeds of taxes; however, when transferred, may become proceeds of taxes. These revenues have a logical, direct relationship with the use or purposes for which they are used.

## Comments/Historical Information
