</table>

### Purpose
Chapter 971, Statutes of 1980, requires that the Office of the State Architect (OSA) establish fees for an OSA certification procedure for earthquake sensitive gas shut-off devices. Fees must be equal to the costs associated with making the certification. These fees are deposited in the Seismic Gas Valve Certification Fee Account.

### Administering Agency/Organization Code
Office of the State Architect/Org 1790

### Major Revenue Source
Fees established by the Office of the State Architect for certification of gas shut-off valves.

### Disposition of Fund (upon abolishment)
Pursuant to Government Code 16346, absent language that identifies a successor fund, any balance remaining in this fund upon abolishment shall be transferred to the General Fund.

### Appropriation Authority
Health and Safety Code 19201.5 continuously appropriates all of the money in the fund to the State Architect for administering the certification program.

### State Appropriations Limit
**Excluded** – Revenues in this fund are not proceeds of taxes, however, when transferred, may become proceeds of taxes. These revenues are used to regulate the activities engaged in by the payers.

### Comments/Historical Information
Pursuant to Government Code 13306, this fund was administratively established as directed by the Legislature for administering the certification program.
Fund abolished per Government Code section 13306(b).
