<b><u>Purpose</u></b> The Department of Finance created certain fictitious funds used for budgetary purposes only. These fictitious funds function as placeholders for budget purposes--that is, anticipated costs or revenues that cannot be matched accurately to a real fund in the State Treasury may be shown in these dummy funds for presentation in the Governor's Budget. These fictitious funds are not in the State Treasury but are listed in the Uniform Codes Manual.  Unallocated Bond Funds--Nonselect is one of these budgetary funds.
