Chapter 1351, Statutes of 1980 created the Local Health Capital Expenditure Account within the County Health Services Fund. This fund was legislatively created by Welfare & Institutions Code section 16715 which was repealed 01/01/2000, by the terms of Welfare & Institutions Code section 16720. The fund was then administratively created to allow for a 2001 Budget Act transfer to the General Fund, Item 4260-011-0900. However, the transfer was never made.  
This fund was abolished pursuant to Government Code section 13306(b), effective May 22, 2008.
