Purpose
Decontamination, decommissioning, reclamation, and disposal of radioactive materials when licensees are unwilling or unable to comply with the regulations. Expenditures may also be made for long-term maintenance and surveillance for the protection of the public health and safety and the environment.

Administering Agency/Organization Code
Department of Health Services/Org 4260

Major Revenue Source
Surety bonds, deposits of government securities, escrow accounts, lines of credit, trust funds, credit insurance, or any other equivalent financial surety arrangement acceptable to the department.

Disposition of Fund (upon abolishment)
Pursuant to Government Code section 16346, absent language that identifies a successor fund, any balance remaining in this fund upon abolishment shall be transferred to the General Fund.

Appropriation Authority
Continuously appropriated

State Appropriations Limit
Excluded – Revenues in this fund are not proceeds of taxes, however, when transferred may become proceeds of taxes. These revenues are used to regulate the activities engaged in by the payers.

Comments/Historical Information
Although this fund was created in 1996 legislation, it was not established until 1999. The department may not expend money in this account for normal operating expenses. Fund abolished per Government Code section 13306(b) effective June 1, 2012.
