### Purpose
Research and other efforts to combat Pierce’s Disease or its vectors.

### Administering Agency/Organization Code
Department of Food and Agriculture/Org 8570

### Major Revenue Source
An initial General Fund transfer of $13.8 million ($6.9 million for combating Pierce’s Disease, $6.9 million for research), and money made available from federal, industry, and other sources.

### Disposition of Fund (upon abolishment)
Pursuant to Government Code 16346, in the absence of language that identifies a successor fund, any balance remaining in this fund upon abolishment, shall be transferred to the General Fund.

### Appropriation Authority
Funds designated for combating the disease are continuously appropriated. Funds designated for research are also continuously appropriated but can only be expended when nonstate revenue sources reach at least a 25% match.

### State Appropriations Limit
Always Excluded—The major revenue source is transferred from another fund which has already been counted in an included fund, the General Fund (0001), and should not be double counted.

### Comments/Historical Information
