**Purpose**  
Chapter 26, Statutes of 2002 (AB 1227) enacted the Housing and Emergency Shelter Trust Fund Act of 2002, which authorized the issuance of bonds in the amount of $2,100,000,000, for the purpose of financing various existing housing and code enforcement programs, and additional specified programs.

The Building Equity and Growth in Neighborhoods (BEGIN) Fund was established to deposit housing bond funds that offer grants to qualifying cities, counties, or cities and counties that provide incentives or reduce or remove regulatory barriers to affordable housing.

These grants will be used to provide assistance in the form of 2nd mortgage loans for down payment purposes to qualifying first-time homebuyers of low- and moderate-incomes purchasing newly constructed homes in a BEGIN project.

No more than 5 percent of the funds deposited in the BEGIN fund may be used to pay the costs of the administration of this chapter.
