SEND APPLICATION TO:
Human Resources Office
Attn: Stephanie Hees
915 L Street Ste.1235
Sacramento, CA 95814

WHO MAY APPLY:
Current State employees at the Staff Programmer Analyst (Specialist) level, those within transfer range, or individuals who have list eligibility.

POSITION DESCRIPTION:
The Department of Finance Information Systems unit is seeking a self-motivated programmer to be a lead of a team that will develop and maintain complex applications in web-based environments. Programming experience in Java utilizing Tomcat Application Servers and working knowledge of Mac OS X is required. Knowledge of Eclipse, WebObjects, Dreamweaver, XCode, Objective C, AppleScript, Photoshop and InDesign is a plus. We offer flexible alternate workweek schedules with occasional overtime, and a very congenial fast-paced environment.

SCREENING CRITERIA: (Address the following abilities in your application package)

- Ability to take initiative and make decisions to ensure project success.
- Ability to develop proposals with alternatives and solutions.
- Ability to analyze user requirements and develop detailed program specifications.
- Ability to communicate clearly and effectively, verbally and in writing.
- Ability to work productively with customers and manage priorities both independently and in a team environment.
- Experience working with MS SQL Server, MySQL and DB2 databases.

DESIRABLE QUALIFICATIONS:

- Knowledge of writing new and modifying existing programs using Java Programming Language.
- Experience working with the Microsoft SQL Server relational database management system.
- Experience working as a project/team lead member to develop and maintain complex systems.

*Incumbent may be required to work overtime on short notice during peak work periods.

*TDD is a telecommunication device for the deaf and is accessible only through phones equipped with a TDD device.

Issue Date: October 7, 2014
