BILL SUMMARY: Housing and Community Development: Housing Omnibus Bill

This bill has been drafted by the Committee on Housing and Community Development (HCD) to make technical changes to various sections of housing law.

FISCAL SUMMARY

This bill is not anticipated to have a fiscal impact.

COMMENTS

The Department of Finance is neutral on this bill because it will not result in costs to HCD or the state. The technical changes delete incorrect and invalid references where appropriate, correct outdated statutory cross references in redevelopment and farmworker housing law, exempt address reporting for victims of domestic violence, creates an appropriate exception against construction of certain types of buildings, and perform other technical cleanup components. HCD considers these changes non-controversial cleanup language to existing law.
